250 YEARS USA
1776 - 2026

Did You Know?

A 250th anniversary is the semiquincentennial.

About one third of Natick's 550 residents took up arms during the American Revolutionary War.

The Warren Clock Company, later Telechron, was based in Ashland from 1912 to 1992. Ashland's nickname is Clocktown.

Opened in 1951, Shoppers' World in Framingham was the first regional shopping mall east of the Rockies and the second in the country.

On November 6, 1789, George Washington traveled through Holliston on his way from Boston to New York City.

The Dimock Health Center in Boston is named for Dr. Susan Dimock, a one-time resident of Hopkinton. She earned her medical degree in Zurich in 1871 and is recognized as one of the first female surgeons in America.

The Redstone Schoolhouse was moved from Sterling to its site in Sudbury in 1926. It is believed to be the setting for "Mary Had a Little Lamb".

From 1955 to 1974 Wayland housed a Nike missile base on Oxbow Road — one of only three Boston-area sites.

Attention Community Organizations

The Town Planner Calendar can help your non-profit organization or government agency to promote your events at no cost to you. The Calendar is delivered free of charge in our service area, and 75% of households receiving it hang and use it throughout the year. Consumers tell us that being informed about community events is one of the primary reasons they rely on the Town Planner Calendar. If your organization has activities such as local elections, celebrations, concerts, fairs, library, club or cultural events scheduled for 2026 or 2027, we would like to include them on a space-available basis in print, and in our online calendar. Please email your scheduled events to magerman@townplanner.com.

Sponsorship opportunities for the Year 2027 Edition of the Town Planner® are limited!
