& Gifts of Kaplan
100 N. Cushing Ave.

Children can get up to 12 colds a year, while adults average two to four. Where would we be without our pharmacists? It's time to thank those friendly workers who keep us healthy throughout the year. The day focuses on the importance of pharmacists, and it honors how much they impact our health and well-being. Thrifty Way Pharmacy of Kaplan appreciates our community and the opportunity to keep Vermilion Parish healthy. Cheers to a new year full of love, health and prosperity!
