A vibrant, high-quality photograph of a young boy with dark hair, wearing a green cardigan over a tan t-shirt and blue jeans, crouching in a grassy yard. He is holding a blue bubble wand and blowing a stream of bubbles. A black dog, possibly a Labrador, is jumping towards the bubbles with its mouth open in excitement. The scene is set outdoors with lush green trees in the background under bright sunlight. The overall mood is joyful and playful.

A Message From The Publisher

The New Year is a Celebration of Town Planner Community Calendar’s Eighth Year of Publication! Along with continuing calendar editions in Riverside and Corona, 2025 marks the inaugural calendar for the city of Eastvale!

The Town Planner continues to be a positive force in the community. In the 2025 Corona edition, the theme is “Furry Friends, Forever Family.... Discover Pet Activities to Create Lifelong Memories”. This year’s Calendar is a recognition of the important role pets play in our lives, especially our kids. Growing up with pets fosters emotional support, teaches responsibility, encourages empathy, reduces stress, and promotes active play, benefiting children’s mental, social, and physical development.

The Calendar is an annual gift to Corona residents. It is an invaluable resource for critical service phone numbers, school schedules, and local events. Space has been donated to nonprofits doing tremendous work in our communities. If you like using the Calendar and supporting local nonprofits, then please give the businesses in this Calendar your due consideration because the Calendar only continues each year with their ongoing support.

Special thanks to Peppermint Ridge for allowing me to feature a couple of their residents on the Calendar cover. I am privileged to partner with Executive Director Danny McCarns and her devoted team for this year’s Calendar. Peppermint Ridge continues to do amazing work serving special needs adults in our community.

Much appreciation to Chamber President Booby Spiegel, Vice President Deserie Ramirez and the rest of the dedicated Chamber team for their continuing support and assistance. I have enjoyed the many meaningful relationships built over the years with fellow Chamber members.

Blessings to you for 2025. I hope the year turns out to be your happiest and most productive yet.

Sincerely,

Lester Li, Owner/Publisher

Edgar Tarin, Owner of Team Car Care
“Honesty, Competence & Reliability”

Team Car Care has been a mainstay in downtown Corona since 1991, serving the automotive, tire and wheel repair needs of customers in Corona and nearby areas. By purchasing the business in 2016, current owner Edgar Tarin has continued the tradition of excellence by delivering quality customer service based on the principles of honesty, competence and reliability.

Honesty is paramount for Edgar in an industry where most customers rely entirely on their mechanic’s expertise. Edgar has built long-term, client relationships based on honest repairs. During his 30-plus years in the field, including 20 as an ASE-certified Master Technician, Edgar has built trust by clearly explaining repairs and empowering clients to make informed decisions. Known for his straightforward style, he often offers advice or minor fixes at no cost, reinforcing his commitment to genuinely helping people rather than pushing unnecessary repairs.

Competence means Edgar combines his training and experience with cutting-edge technology to deliver expert service. With over \$500,000 in investment for shop equipment, his business is certified for hybrids and electric cars, while offering reprogramming and flash updating of computers of all makes and models.

Reliability has earned Team Car Care the reputation as the one-stop shop to visit if your car has a problem that other shops cannot solve. Making repairs that other shops can’t also means Edgar firmly stands behind his work product. Accordingly, his business is one of the TOP RATED extended warranty shops in Southern California.

Edgar and his wife, Aracely, are devoted parents to three boys. Edgar strives to lead by example, demonstrating integrity in his work and with his clients. Aracely, a social worker, shares his commitment to serving the community, instilling those values in their family. For Edgar, Team Car Care is more than a repair shop—it’s a reflection of his values and dedication to doing things the right way.

SOLAR WAS AN ANSWER
TO PRAYER

Matthew, a skilled, private math tutor for Inland Empire families of over 14 years, prayed for a new career that would bless the families he would serve & his future family at a higher capacity. That was a 2018 summer prayer & was answered just two short months later. His service to families at the dining room table in the comfort of their home for more than two decades has been a staple to how he has built his businesses. Matthew has been a full time Solar Sales Manager for more than 6 years serving home owners throughout Southern California, with a 100% 5-star rated profile by his customers. With 4 years of door knocking experience, Matthew understands the concerns, fears & thought process of home owners who deal with door knockers constantly. That empathy, awareness & support has been one of the main reasons why local home owners prefer that Matthew joins them & their referrals at the table for the best & most easy going solar experience.

Matthew is a man surrounded by family & friends that have become family along the way in life. In addition to his faith in Jesus, he attributes his growth, success & impact to the love, care & sharpening of those in his life over the years.

Matthew’s solar career has blessed his Wife Lindsay, with the opportunity to be a stay at home Mom (which we all know is one of the toughest jobs) & home school their Daughter RoRo. Matthew has lived in the Inland Empire his entire life. He was once a radio talk show host, a one night only paid magician for a 60th High School Reunion & claims he grills the best burger around. His favorite memories can point to experiences with family & friends in the mountains around a campfire, in a chilling 35° lake, cabin & in the dark of the woods at night. As Matthew has been tremendously blessed & encouraged by this Bible verse, he hopes you will be as well —> Matthew 7:7-8

As the President/CEO of the CORONA Chamber of Commerce, I want to take a moment to reflect on our business’s place within the vibrant community of Corona, and how grateful we are to be part of this city’s growth and success. Over the years, Corona has evolved into a thriving hub for business, innovation, and opportunity, and we are proud to contribute to that dynamic spirit.

Corona’s commitment to fostering a business-friendly environment has been integral to our own achievements. The city offers a strategic location, modern infrastructure, and a diverse workforce that enables businesses to flourish. We are fortunate to operate in a community that not only supports but actively encourages entrepreneurship and sustainable growth.

What truly sets Corona apart is its strong sense of community. We are surrounded by dedicated local businesses, city leaders, and organizations that work together to create a thriving economy while maintaining a close-knit, welcoming atmosphere. The support we have received from the City of Corona, local elected officials, and the business community has helped us build lasting relationships and expand our reach.

As we look toward the future, we remain committed to continuing our investment in this wonderful city. We believe that our Chamber, alongside many other businesses, play a vital role in shaping Corona’s future as a center for innovation, opportunity, and community development. Together, we can continue building a city where businesses prosper, and the quality of life remains high for everyone.

Thank you to our loyal members. We are excited about what lies ahead and remain dedicated to making a positive impact on the community we call home.

BOBBY SPIEGEL
PRESIDENT/CEO
CORONA CHAMBER OF COMMERCE

We Love Caring For Your Pets!

Dr. Chante Tran and her entire team at 9Tails Veterinary Clinic extend a big "THANK YOU" to the City of Corona and the surrounding communities for the warm welcome since we opened our doors in April 2024 at Foothill Center. We’re truly grateful for the support and positive feedback we’ve received from all of you and your beloved pets. Your trust has meant so much to us, and we are proud to be part of such a caring community.

At the heart of 9Tails is Dr. Tran, whose love for animals is clear in everything she does. With her bright smile, kind heart, and welcoming personality, she creates an environment where both pets and their families feel comfortable and at ease. Dr. Tran grew up in Los Angeles, where she earned her Bachelor’s degree in Biology before attending Saint George’s University for her veterinary studies. After completing her residency at Washington State University, she became a board-certified Veterinarian in Animal Medicine. She expanded her expertise by becoming a Certified Veterinary Acupuncturist and remains dedicated to discovering new opportunities for growth in her profession.

Opening 9Tails has been a lifelong dream for Dr. Tran, built on hard work, dedication, and deep faith. Her belief in the power of compassionate care and her commitment to serving the community have been the foundation of everything we do. She’s brought together a team that shares her passion for animals, and together, we’ve been honored to serve you in our first year. Whether it’s a routine checkup or more specialized care, we’ve loved building lasting relationships with you and your pets.

This past year has been filled with learning, growth, and connecting with so many wonderful clients. We are excited to continue offering expert care and always treating your pets as if they were our own. Thank you for trusting us with your beloved animals. We look forward to many more years of serving the pets of Corona and beyond.

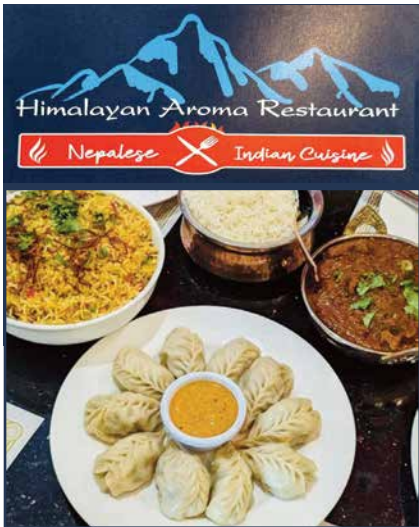

Himalayan Aroma: Bringing the
Flavors of the Himalayas to Your Table

At Himalayan Aroma Restaurant, every dish tells a story. We combine the vibrant spices of India with the comforting flavors of Nepal, bringing together two rich culinary traditions for an experience unlike any other. Our food is more than a meal – it’s a journey to the heart of the Himalayas. From perfectly spiced curries to smoky, clay-oven-cooked tandoori and soft, flavorful Nepali momos, every bite celebrates heritage, authenticity, and creativity. We thank the city of Corona and the community for our warm welcome. It has been a pleasure serving so many wonderful people, with their support and kindness..

We put care into every detail – hand-ground spices, farm-fresh ingredients, and recipes passed down for generations. Our menu is a harmonious blend of traditional techniques and modern tastes, offering a rare combination of dishes that feel familiar yet excitingly new. But a meal is about more than flavor; it’s an experience for all the senses. At Himalayan Aroma, every dish is presented with care and attention. The sizzle of tandoori platters arriving at your table, vibrant colors of curries, and aroma of freshly baked naan are all crafted to delight all your senses. Whether you’re seeking something fiery and bold or comforting and mellow, we have something special for everyone.

Himalayan Aroma is the dream of a family with over 30 years of restaurant experience. The owners have spent decades mastering every aspect of the business, from perfecting recipes to creating warm, welcoming spaces. With a passion for hospitality and excellence, they’ve built a place where people can gather to enjoy incredible food and create lasting memories. For this family, it’s not just about serving meals – it’s about building relationships and celebrating community. Their goal is to make every customer feel valued and each visit as memorable as the first. Come and experience the warmth, flavor, and heart of Himalayan Aroma – where every meal is a celebration!

Dear Friends,

We’re proud to be featured on the cover of Town Planner as we celebrate 65 years of dedication to those with intellectual and developmental disabilities (I/DD) at Peppermint Ridge. Thanks to the support of the Inland Empire community, local businesses, and corporate sponsors, we continue to create a place of belonging, advocacy, and compassionate care for those we serve. Our mission is about more than providing care—it’s about creating a continuum of support that adapts to each resident’s changing needs. Every day, we ensure that our residents not only have a safe, lasting home but also a pathway to self-discovery, citizenship, and meaningful relationships.

One of our beloved residents, John, embodies the heart of Peppermint Ridge. Now 60, John has lived with us since childhood, one of the first supported by our founders, Mary and Bob Jeffery. Living with Down Syndrome, he faces early-onset dementia, yet remains a vibrant member of our community, always ready for a Friday cheeseburger or new adventure. Peppermint Ridge is, and will always be, his home. We focus on helping each resident maximize their independence, dignity, and comfort. As our residents’ needs evolve, so do our services—ensuring that everyone in our homes and our Very Independent People (VIP) and Ridge Explorers programs receives the support they deserve.

Please consider joining us in supporting residents like John. By volunteering, donating, or sharing our mission, you can help us ensure that each individual at the Ridge continues to build a life filled with care, community, and joy.

If you have any questions about Peppermint Ridge, our programs, or ways to get involved, we’re here for you. Don’t hesitate to reach out; our team is always ready to help and happy to connect with you.

With gratitude,
Danny McCarns
Executive Director

Peppermint Ridge
