A Message From The Publisher

The New Year is a Celebration of Town Planner Community Calendar's Eighth Year of Publication! Along with continuing calendar editions in Riverside and Corona, 2025 marks the inaugural calendar for the city of Eastvale!

The Town Planner continues to be a positive force in the community. In the 2025 Eastvale edition, the theme is "Kids First in Eastvale Positive Messages for Our Children". The poems in the Calendar are meant to provide teaching moments and inspirational messaging for our children. I have composed each poem in the Calendar, as writing poems for children has been a favorite hobby since my college days.

The Calendar is an annual gift to Eastvale residents. It is an invaluable resource for critical service phone numbers, school schedules, and local events. Space has been donated to nonprofits doing tremendous work in our communities. If you like using the Calendar and supporting local nonprofits, then please give the businesses in this Calendar your due consideration because the Calendar only continues each year with their ongoing support.

Special thanks to the Eastvale Little League for allowing me to feature their amazing team on the inaugural Calendar cover; the joy and excitement they brought to the city during their run to the Little League World Series will be remembered for years to come.

Much appreciation to Chamber President Hari Dhiman for his unwavering support and warm welcome to the Eastvale business community. Likewise, Eastvale Economic Development Manager Alex Fung along with the team at City Hall have been helpful and gracious along the way. I have enjoyed building relationships in Eastvale and continue to be impressed by this close-knit community.

Blessings to you for 2025. I hope the year turns out to be your happiest and most productive yet.

Sincerely,

Lester Li, Owner/Publisher

SOLAR WAS AN ANSWER TO PRAYER

Matthew, a skilled, private math tutor for Inland Empire families of over 14 years, prayed for a new career that would bless the families he would serve & his future family at a higher capacity. That was a 2018 summer prayer & was answered just two short months later. His service to families at the dining room table in the comfort of their home for more than two decades has been a staple to how he has built his businesses. Matthew has been a full time Solar Sales Manager for more than 6 years serving home owners throughout Southern California, with a 100% 5-star rated profile by his customers. With 4 years of door knocking experience, Matthew understands the concerns, fears & thought process of home owners who deal with door knockers constantly. That empathy, awareness & support has been one of the main reasons why local home owners prefer that Matthew joins them & their referrals at the table for the best & most easy going solar experience.

Matthew is a man surrounded by family & friends that have become family along the way in life. In addition to his faith in Jesus, he attributes his growth, success & impact to the love, care & sharpening of those in his life over the years.

Matthew's solar career has blessed his Wife Lindsay, with the opportunity to be a stay at home Mom (which we all know is one of the toughest jobs) & home school their Daughter RoRo. The Rocks are residents of Chino Hills & previously Eastvale, where Matthew is a trusted Member of the Chamber of Commerce. Matthew was once a radio talk show host, a one night only paid magician for a 60th High School Reunion & claims he grills the best burger around. His favorite memories can point to experiences with family & friends in the mountains around a campfire, in a chilling 35° lake, cabin & in the dark of the woods at night. As Matthew has been tremendously blessed & encouraged by this Bible verse, he hopes you will be as well —> Matthew 7:7-8

The Eastvale Chamber is a community-focused business organization that has served Eastvale and its neighbors since 2010. The path from the intimate gathering around our dining table to this extraordinary success has been incredible and inspiring.

Our partnerships with the City, local service groups, fire and sheriff departments, and faith-based organizations have been immensely successful. We're dedicated to providing our members with valuable educational and networking opportunities through our monthly, quarterly, and annual events.

Small businesses are the backbone of our community, and I'm proud to say that 60% of our members are small businesses in and around the City of Eastvale. We're committed to supporting them with the resources they need to thrive.

Eastvale Chamber is pleased to partner with the Town Planner Community Calendar, locally led by Lester Li. Mr. Li has been a proud member of the Chamber and he is actively involved in our community. Thank you for your continued support.

Eastvale is a great place to live, work and grow. I am grateful to have been a part of this amazing community for 20 years.

Dino Fulton is a seasoned business and marketing strategist whose journey goes far beyond marketing. With over 30 years of experience, Dino is passionate about helping small business owners succeed while staying rooted in his faith, family, and commitment to service.

As a follower of Jesus, Dino's life is guided by love for God, family, and people. He has been married for over 33 years to his wife, Lin. They are parents to four grown daughters and are proud to have two baby granddaughters.

Dino's entrepreneurial spirit sparked at age 18 when he began working with small business owners. By age 21, he launched his first brick-and-mortar business, followed by another at 24. His calling to serve led him to Asia, where he founded a non-profit and a Bible Training School in the Philippines, empowering leaders and leaving a lasting legacy.

After returning to the U.S., Dino pursued his passion for entrepreneurship by starting an internet marketing and consulting company, a catering business, and a restaurant inspired by Lin's love of cooking. Along the way, he gained valuable experience working with companies in the insurance, investments, real estate, retail, and manufacturing industries. Each endeavor deepened his understanding of what businesses need to thrive and contributed to the development of his Brand Domination Blueprint — a proven strategic roadmap that helps business owners excel in their markets.

Dino is actively involved in his community, serving as a board member of the Eastvale Chamber of Commerce, an Ambassador for the Chino Hills Chamber of Commerce, and a board member of the Asian Business Association of the Inland Empire. Additionally, he volunteers at his church and dedicates time to teaching and mentoring youth as a Captain in the Civil Air Patrol, Chino Squadron.
