**ELK GROVE  
CHAMBER  
OF COMMERCE**

As President/CEO of the Elk Grove Chamber of Commerce, I'm delighted to invite you to take full advantage of the many ways we work to strengthen economic growth and collaboration throughout Elk Grove. Our partnerships with the Cosumnes Services District, the Elk Grove Unified School District, Cosumnes River College, and the City of Elk Grove create valuable opportunities to support, educate, and uplift our member businesses.

I encourage both current and prospective members to stay connected through our social media channels and the Town Planner Calendar. These tools help keep our community informed about local events, resources, and opportunities—reinforcing our commitment to supporting local businesses and the broader Elk Grove economy.

If you're considering joining the Chamber, now is an excellent time. And if you're already a member, thank you for your ongoing support and engagement. In every case, we remain dedicated to advancing your business and strengthening the economic vitality of Elk Grove each and every day.

Sincerely,  
Angela Perry

Elk Grove Unified School District

Elk Grove Unified School District (EGUSD) is proud to serve one of the most diverse and rapidly growing communities in California. Spanning 320 square miles across southern Sacramento County, EGUSD's 68 schools welcome more than 63,000 students who bring a rich mix of cultures, languages, and experiences to the classroom. The district remains committed to fostering excellence and opportunity for every learner, offering innovative academic programs, college and career pathways, and a safe, inclusive environment where all students can thrive. Together with families and community partners, EGUSD continues to prepare students to succeed in an ever-changing world.
