ISABELLE ET VINCENT: FRENCH TRADITION, NEW ENGLAND CHARM.

Isabelle et Vincent is a charming New England bakery that beautifully balances local warmth with far-reaching ambition. Nestled in the heart of our Fairfield community, our bakery serves as a beloved gathering spot, evoking the inviting ambience of a classic European patisserie. With an unwavering commitment to traditional baking methods, every pastry and loaf is crafted the old-fashioned way, ensuring authenticity in flavor and texture.

Beyond our local offerings, we proudly supply other bakeries as far away as Rhode Island, sharing our artisanal creations with the broader region. Whether you're indulging in a fresh croissant or sourcing goods for your own shop, Isabelle et Vincent embodies the essence of community and quality in every bite.

A Message from the Publisher

As we close out 2024 and look ahead to the new year, I've been reflecting on our family's journey. Like so many before us, we're preparing for our youngest child to leave home—exciting, yet bittersweet. This transition has made it even clearer to me how important it is to prioritize time together—whether it's phone calls, holidays, or special occasions.

The Town Planner is a calendar that helps to plan those moments, but it's also so much more. It highlights the holidays, festivals, and special dates we celebrate, while shining a light on the local businesses and charities that help bring our community together and enrich our lives.

In recent years, I've taken time to reflect on what truly matters and how I can better serve the community. This has inspired me to focus on deeper collaborations, which have allowed me to give back in meaningful ways—particularly through free events and supporting local charities. Each year, I also donate a portion of my profits to carefully selected causes that I believe will make a real impact on people living here in Fairfield County.

In Norwalk and Greenwich, my team and I also organize a large, free celebration event where local residents come together to reconnect with old friends and meet new ones.

I want to offer my heartfelt gratitude to our sponsors. Your ongoing support makes everything possible. Your generosity truly enriches our community, and I'm deeply appreciative of your commitment to making a difference. We couldn't do it without you.

Get excited.
The best experiences in life are live.

Fairfield Theatre Company is a nonprofit center for the arts, music, and culture located in the heart of downtown Fairfield. Since its inception over two decades ago, FTC has evolved into the region's most energetic and productive performing arts center, presenting hundreds of live music performances, films, stand-up comedy shows, and cultural events every year.

It's all at FTC — arts, culture, a sense of community — and the professional yet casual environment offers a magical experience, for current and future generations.

FTC is more than just a business serving its customers; it's more than just a performing arts center. The whole campus is a living, breathing mini-institution in its own right. Each space has its unique capacity to incubate local bands and artists, host touring acts, provide rental space for local businesses, and connect them all to the community.
