Fairfield County, Connecticut AND AMERICA'S 250TH ANNIVERSARY

1776 - 2026: Honoring Our Past, Inspiring Our Future

Fairfield County's Role in the Revolution

- The Burning of Fairfield (1779):** British General William Tryon burned the town to the ground in retaliation for patriot resistance. Many families lost their homes, yet the community rebuilt stronger.
- Danbury Raid (1777):** Fairfield County supplied men to defend nearby Danbury when the British attacked and destroyed Continental Army provisions.
- Battle of Ridgefield (1777):** General Benedict Arnold fought bravely against the British, earning temporary fame before his later betrayal.
- Privateering & Coastal Raids:** Norwalk and Stamford became hubs of privateering, with patriots seizing British supply ships in Long Island Sound.
- Patriot Leaders:** General Gold Selleck Silliman of Fairfield led militia forces but was captured in a Loyalist raid. His wife, Mary Silliman, carried on his work, managing the farm and supporting the patriot cause during his imprisonment.

Did You Know?

- Fairfield County towns were attacked multiple times, making the region a frontline buffer between British New York and Patriot New England.
 - The county's coastline provided secret crossings for supplies and intelligence between Connecticut patriots and allies on Long Island.
 - After the Burning of Norwalk (1779), only a handful of houses survived — yet the people rebuilt with resilience
- Looking Toward 2026**
- Fairfield County will proudly mark the **Semiquincentennial** with programs, tours, and community celebrations.
- Honor our Revolutionary heroes
 - Explore Fairfield County's role in the birth of America
 - Celebrate 250 years of freedom and democracy

From the Ashes of 1779 to the Freedom of 2026 - Fairfield County Remembers.

Honoring 40 Years of Town Planner Calendars: 1987-2026
