CONNECTING FAMILY,  
COMMUNITY, AND COMMERCE  
*Time Well Spent*

Time is one of our most valuable resources, and this year's calendar is designed to help you make the most of it - organizing your family's schedule, planning milestones, and enjoying what our community offers. Thoughtful planning reminds us to pause invest our time wisely in the people, places, and experiences that matter most.

This year marks special milestones—the 250th anniversary of our nation and our own 40th anniversary in business — milestones that highlight the importance of perspective, connection, and time well spent.

Through our community giving program, we support local charities with pro bono advertising and donations from our profits. Please reach out if you'd like to learn more.

**AND AMERICA'S 250TH ANNIVERSARY**

## 1776 - 2026: Honoring Our Past, Inspiring Our Future

## Fairfield County's Role in the Revolution

- **The Burning of Fairfield (1779):** British General William Tryon burned the town to the ground in retaliation for patriot resistance. Many families lost their homes, yet the community rebuilt stronger.
  - **Danbury Raid (1777):** Fairfield County supplied men to defend nearby Danbury when the British attacked and destroyed Continental Army provisions.
  - **Battle of Ridgefield (1777):** General Benedict Arnold fought bravely against the British, earning temporary fame before his later betrayal.
  - **Privateering & Coastal Raids:** Norwalk and Stamford became hubs of privateering, with patriots seizing British supply ships in Long Island Sound.
  - **Patriot Leaders:** General Gold Selleck Silliman of Fairfield led militia forces but was captured in a Loyalist raid. His wife, Mary Silliman, carried on his work, managing the farm and supporting the patriot cause during his imprisonment.
- 

## Did You Know?

- Fairfield County towns were attacked multiple times, making the region a frontline buffer between British New York and Patriot New England.
  - The county's coastline provided secret crossings for supplies and intelligence between Connecticut patriots and allies on Long Island.
  - After the Burning of Norwalk (1779), only a handful of houses survived — yet the people rebuilt with resilience
- 
- ## Looking Toward 2026
- Fairfield County will proudly mark the Semiquincentennial with programs, tours, and community celebrations.
- Honor our Revolutionary heroes
  - Explore Fairfield County's role in the birth of America
  - Celebrate 250 years of freedom and democracy

## NEW YORK    NEWPORT BEACH    NEW CANAAN

A portrait of a middle-aged man with grey hair and glasses, wearing a dark suit and a red tie. He is looking directly at the camera with a serious expression. The background is dark and out of focus.

In addition to luxury homes, John Mastera's work includes the Western Wyoming Community College, Vista Grande Church in Colorado Springs, and the renovation of The Congregational Church of New Canaan.

John's collaborative approach engages clients from the start, focusing on understanding the history of the space and its surroundings.
