A Beautiful Modern Office & Friendly Staff

Ideal Smiles of Stamford was established five years ago, as a successful aesthetic and implant dentistry practice that provides first-class treatment to all patients. Dr. Natalia Silva and her team at Ideal Smiles lead the way – from the welcoming service at reception all the way through your dental care and follow-up.

Dr. Silva remains at the forefront of rapidly evolving technology and dental techniques to provide state-of-the-art comprehensive treatment in a comfortable setting. Ideal Smiles specializes in dental implants, Invisalign clear aligners, Lumineers, Zoom whitening, and surgical extractions. They also provide various other cosmetic, preventative, and restorative dental services.

Her latest degree and accolades have all been centered around dental implantology. Most recently she completed a fourth-year postdoctoral program in Implantology: Surgical and Prosthetic Treatment” from the prestigious New York University College of Dentistry. There she learned advanced techniques to restore compromised smiles into healthy, fully functional, beautiful smiles.

Natalia Silva, D.D.S.

A Message from the Publisher

As we close out 2024 and look ahead to the new year, I've been reflecting on our family's journey. Like so many before us, we're preparing for our youngest child to leave home—exciting, yet bittersweet. This transition has made it even clearer to me how important it is to prioritize time together—whether it's phone calls, holidays, or special occasions.

The Town Planner is a calendar that helps to plan those moments, but it's also so much more. It highlights the holidays, festivals, and special dates we celebrate, while shining a light on the local businesses and charities that help bring our community together and enrich our lives.

In recent years, I've taken time to reflect on what truly matters and how I can better serve the community. This has inspired me to focus on deeper collaborations, which have allowed me to give back in meaningful ways—particularly through free events and supporting local charities. Each year, I also donate a portion of my profits to carefully selected causes that I believe will make a real impact on people living here in Fairfield County.

In Norwalk and Greenwich, my team and I also organize a large, free celebration event where local residents come together to reconnect with old friends and meet new ones.

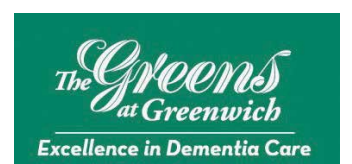

I want to offer my heartfelt gratitude to our sponsors. Your ongoing support makes everything possible. Your generosity truly enriches our community, and I'm deeply appreciative of your commitment to making a difference. We couldn't do it without you.
