Sue Frano is a familiar face to nearly everyone she meets! It's no surprise that she joined as a Developer Collaborator, leveraging her extensive network to introduce our program to the business community. Alongside the rest of the team, she has played a key role in bringing the program to life.

A lifelong resident of Greenwich, Sue has been in real estate since 1983 and joined Coldwell Banker Realty in 2023, a leader in luxury real estate for over 100 years. Sue is deeply committed to her community, particularly the Byram neighborhood, where she is actively involved with organizations such as Friends of Byram Park, Friends of the Byram Shubert Library, and the Byram Neighborhood Association. She also volunteers with Food Rescue US.

Happily married to her husband Mark for more than 40 years and the proud mother of two Greenwich High School graduates, Sue is well-versed in the many reasons Greenwich is a great place to settle down and raise a family.

Lisa Johnson is the co-founder of Been There Got Out, a high-conflict divorce strategist and certified domestic violence advocate who successfully represented herself through scores of court appearances. Her case, published in the Connecticut Law Journal, is being used as legal precedent. Her live testimony helped pass Jennifer's Law in Connecticut, the third state in America to expand its legal definition of domestic violence to include "coercive control."

She and her partner, Chris, coach people in high-conflict relationships, divorce, custody battles, and co-parenting hell so they have the chance of the best outcome in family court and beyond. They also offer a weekly Legal Abuse Support Group for those dealing with narcissistic opponents in legal matters. Their first book is "Been There Got Out: Toxic Relationships, High-Conflict Divorce, and How to Stay Sane Under Insane Circumstances" and their next book, "When Your Ex Turns the Kids Against You" will be released in Jan 2026!

Working together on a special edition Western Greenwich Town Planner Calendar, in Association with Byram Shubert Library.

Thank you also to all photographers credited in the calendars and a special thank you to Jim Ramsay and members of Images of Greenwich, CT - for supporting our project with their photos and posting beautiful photos of Greenwich every day.

Fairfield County, Connecticut

AND AMERICA'S 250TH ANNIVERSARY

1776 - 2026: Honoring Our Past, Inspiring Our Future

Fairfield County's Role in the Revolution

- The Burning of Fairfield (1779):** British General William Tryon burned the town to the ground in retaliation for patriot resistance. Many families lost their homes, yet the community rebuilt stronger.
- Danbury Raid (1777):** Fairfield County supplied men to defend nearby Danbury when the British attacked and destroyed Continental Army provisions.
- Battle of Ridgefield (1777):** General Benedict Arnold fought bravely against the British, earning temporary fame before his later betrayal.
- Privateering & Coastal Raids:** Norwalk and Stamford became hubs of privateering, with patriots seizing British supply ships in Long Island Sound.
- Patriot Leaders:** General Gold Selleck Silliman of Fairfield led militia forces but was captured in a Loyalist raid. His wife, Mary Silliman, carried on his work, managing the farm and supporting the patriot cause during his imprisonment.

Did You Know?

- Fairfield County towns were attacked multiple times, making the region a frontline buffer between British New York and Patriot New England.
 - The county's coastline provided secret crossings for supplies and intelligence between Connecticut patriots and allies on Long Island.
 - After the Burning of Norwalk (1779), only a handful of houses survived — yet the people rebuilt with resilience
- Looking Toward 2026**
- Fairfield County will proudly mark the **Semiquincentennial** with programs, tours, and community celebrations.
- Honor our Revolutionary heroes
 - Explore Fairfield County's role in the birth of America
 - Celebrate 250 years of freedom and democracy

From the Ashes of 1779 to the Freedom of 2026 - Fairfield County Remembers.

Honoring 40 Years of Town Planner Calendars: 1987-2026

This year, we celebrate 40 years of Town Planner calendars — a milestone reflecting decades of connecting families with local businesses, events, and community resources. For four decades, our free calendars have helped people plan their lives while discovering the best our towns have to offer. Now, with townplanner.com, that connection extends online, making it even easier to stay engaged with the community wherever you are.
