A close-up photograph of a blue jay standing on a dark, wet wooden surface. The bird is facing right, with its head slightly lowered. Its plumage is a mix of blue, white, and black, with a prominent crest. Several peanuts in their shells are scattered on the surface around the bird. The background is a soft, out-of-focus green. The word "APRIL" is written in large, bold, white capital letters at the bottom center of the image.
