Dear Friends & Neighbors,

Welcome to the 2026 edition of the Town Planner Community Calendar, celebrating 17 years in Lake County!

It is our goal to provide you with the area's most comprehensive, in-home community resource guide. On each month, you will find local events and happenings, school schedules, and plenty of space for your own appointments.

We are excited to announce that Paola and Steven Smith of Grayslake will begin as the new Town Planner Publishers beginning in January! Many of you already know Paola and Steven as the owners of Riverside Cafe in Gurnee.

The Easy Reference Guide on the back cover lists local government, township information, schools and emergency phone numbers.

Just inside the back cover, you will find a Local Business Directory for additional services and products in the area.

Many thanks to the wonderful people we met and talked with at the municipal offices, schools, townships, and non-profit organizations! Their time and effort is greatly appreciated. And special thanks to the Town Planner Team: Photographer Michael Delott (delottphoto.com); Administrative Assistants Lindsay King, Scott Walter, Graphic Designer George Solano at everyg@optonline.net.

The Town Planner is YOUR calendar.

Please let us know what you like about it and where there may be room for improvement.

Best wishes for 2026,

Town Planner Publishers

Dear Grayslake Resident: The Town Planner Community Calendar features a schedule of the Village of Grayslake, Chamber of Commerce, and other civic events taking place in our community. While the Village is not involved in the content or layout of the calendar, the calendar does provide residents with general information about Grayslake.

In addition to a schedule of community events, the Town Planner Community Calendar also features an "Easy Reference Guide", which includes phone numbers and contact information for many community agencies, including police, fire, area schools, and county and state offices. The calendar also provides businesses in our town with an opportunity to advertise their products and services. I hope you find the Grayslake Town Planner Community Calendar useful.

Sincerely,

Elizabeth Davies
