Dear Friends & Neighbors,

We are proud to present the 2025 edition of the Town Planner Community Calendar, celebrating 16 years in Lake County!

It is our goal to provide you with the area's most comprehensive, in-home community resource guide. On each month, you will find local events and happenings, school schedules, and plenty of space for your own appointments.

This unique calendar is delivered for free to your home, courtesy of local businesses and professionals who recognize and are committed to the value of community. Without them we could not bring this amazing calendar to you. Inside, you will find their products and services, plus valuable money saving coupons. Please take a minute to look through your calendar. Support our sponsors with your patronage and mention that you saw them in the Town Planner Calendar!

The Easy Reference Guide on the back cover lists local government, township information, schools and emergency phone numbers.

Just inside the back cover, you will find a Local Business Directory for additional services and products in the area.

Many thanks to the wonderful people we met and talked with at the municipal offices, schools, townships, and non-profit organizations! Their time and effort is greatly appreciated. And special thanks to the Town Planner Team: Photographer Michael Delott (delottphoto.com); Administrative Assistants Lindsay King, Scott Walter, and Kelly Wietzema; Graphic Designer George Solano at everyg@optonline.net.

The Town Planner is YOUR calendar. Please let us know what you like about it and where there may be room for improvement.

Best wishes for 2025,

Dear Gurnee Residents,

This letter is to introduce the 2025 edition of the Gurnee Town Planner Community Calendar. The Village is thankful for the Town Planner's work on producing this valuable resource for Gurnee residents.

The calendar contains events such as the Gurnee Days festival and parade. The calendar provides businesses with an opportunity to promote their products and services through advertisements and money-saving coupons.

Local business is of great importance to the Village as it provides the sales tax revenue that finances our first-class Village services. The Town Planner calendar is a great tool in furthering the Village's encouragement to shop local.

I hope you find the Gurnee Town Planner Community Calendar useful as you enjoy it throughout the year. It is a great local resource that will save you time and money.

Sincerely,

Mayor Thomas B. Hood
