A collage for August 2026. At the top, the word "August" is written in a large, white, cursive font against a dark blue background. Below the title, there are two photographs: on the left, a blue heron stands on a log in a pond; on the right, a colorful Ferris wheel is visible at a fair. At the bottom, there are two calendar grids for July and September 2026, and a large "AUG 2026" text with a small dot above it. The entire collage is framed by a decorative border on the left side.

Dear Friends & Neighbors,

Welcome to the 2026 edition of the Town Planner Community Calendar, celebrating 17 years in Lake County!

It is our goal to provide you with the area’s most comprehensive, in-home community resource guide. On each month, you will find local events and happenings, school schedules, and plenty of space for your own appointments.

We are excited to announce that Paola and Steven Smith of Grayslake will begin as the new Town Planner Publishers beginning in January! Many of you already know Paola and Steven as the owners of Riverside Cafe in Gurnee.

The Easy Reference Guide on the back cover lists local government, township information, schools and emergency phone numbers.

Just inside the back cover, you will find a Local Business Directory for additional services and products in the area.

Many thanks to the wonderful people we met and talked with at the municipal offices, schools, townships, and non-profit organizations! Their time and effort is greatly appreciated. And special thanks to the Town Planner Team: Photographer Michael Delott (delottphoto.com); Administrative Assistants Lindsay King, Scott Walter, Graphic Designer George Solano at everyg@optonline.net.

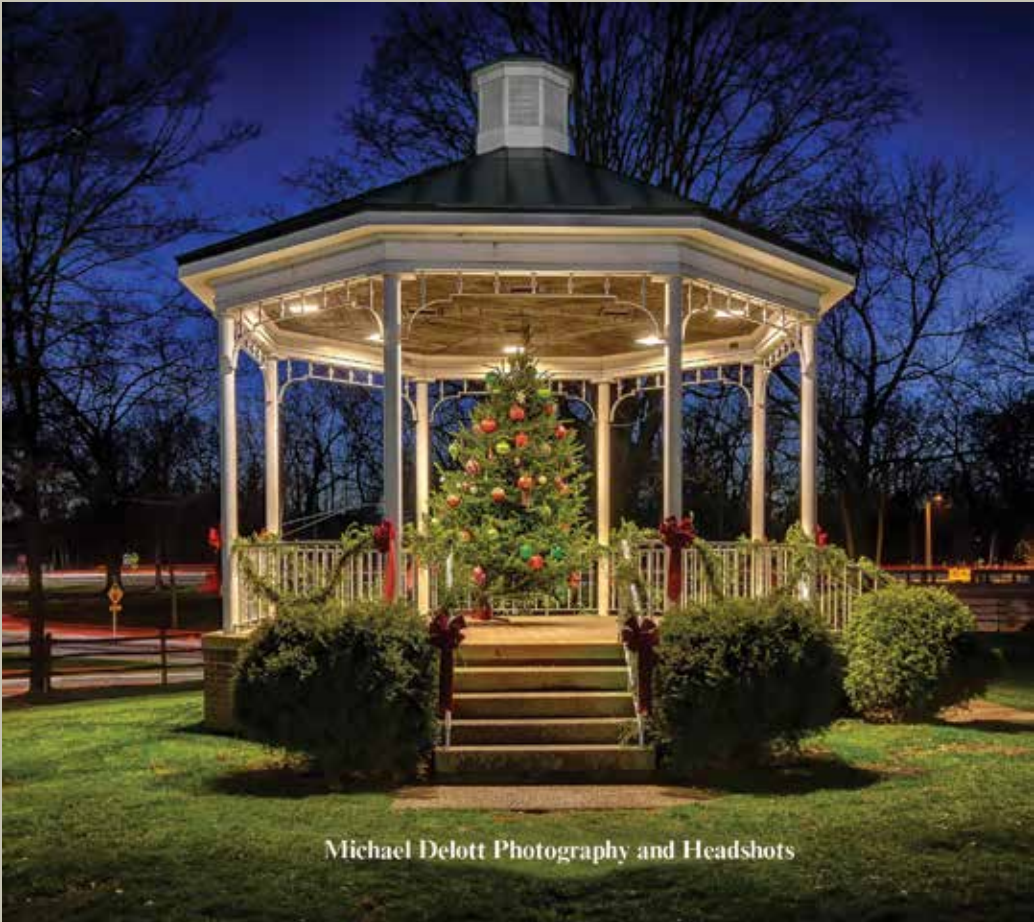

The Town Planner is YOUR calendar.

Please let us know what you like about it and where there may be room for improvement.

Best wishes for 2026,

Town Planner Publishers
