Dear Friends & Neighbors,

We are proud to present the 2025 edition of the Town Planner Community Calendar, celebrating 16 years in Lake County!

It is our goal to provide you with the area's most comprehensive, in-home community resource guide. On each month, you will find local events and happenings, school schedules, and plenty of space for your own appointments.

This unique calendar is delivered for free to your home, courtesy of local businesses and professionals who recognize and are committed to the value of community. Without them we could not bring this amazing calendar to you. Inside, you will find their products and services, plus valuable money saving coupons. Please take a minute to look through your calendar. Support our sponsors with your patronage and mention that you saw them in the Town Planner Calendar!

The Easy Reference Guide on the back cover lists local government, township information, schools and emergency phone numbers.

Just inside the back cover, you will find a Local Business Directory for additional services and products in the area.

Many thanks to the wonderful people we met and talked with at the municipal offices, schools, townships, and non-profit organizations! Their time and effort is greatly appreciated. And special thanks to the Town Planner Team: Photographer Michael Delott (delottphoto.com); Administrative Assistants Lindsay King, Scott Walter, and Kelly Wietzema; Graphic Designer George Solano at everyg@optonline.net.

The Town Planner is YOUR calendar.

Please let us know what you like about it and where there may be room for improvement.

Best wishes for 2025,

Barb Boss & Rich Diesterheft

Dear Libertyville Residents,

The Village of Libertyville is always on the look out for innovative ideas to support our community. This letter is to introduce the 2025 edition of the Libertyville Town Planner Community Calendar. While the Village itself is not involved in the content nor layout of the calendar, we do consider it to be a valuable resource for residents looking for upcoming community events, such as Libertyville Days and the Farmer's Market.

The calendar also provides businesses with an excellent opportunity to advertise their products and services in an attractive and useful manner. The coupons each month provide a money-saving resource for Libertyville residents and help support our local businesses.

I hope you find the Libertyville Town Planner Community Calendar useful. It's a good local resource that may save you time and some money during the year.

Sincerely,

Donna Johnson
Mayor
