## Family Owned McHenry Community Supporters

Hello from Scott, Diedra, Carolyn and Zachary; we are The Reeses Barkery Family. Our pet boutique has been a part of the McHenry community for over 18 years.

At Reeses Barkery & Pawtique, we pride ourselves on offering high-quality products for your dogs and cats and giving back to our community.

The Reeses pooches and cats have used more than 90% of the products we carry to ensure your satisfaction, and that number is always increasing.

Do you have a dog or cat that eats food and likes treats or toys? If so, grab your keys, jump in the car and visit us at Reeses Barkery & Pawtique on Riverside Drive in downtown McHenry for all your pet's needs! Don't forget to bring Fido with you and ask for a sample of our famous Barkery Treats!

1313 N Riverside Dr - [www.ReesesBarkeryMcHenry.com](http://www.ReesesBarkeryMcHenry.com) - 815-363-7297

Cannabliss CBD Shop was created because of the impact CBD has had in our family's life. CBD is a natural compound originally found in our foods. It supports an uplifted mood due to its relaxing qualities, can ease stress after a long day, and more. Our store was born in hopes of providing the same experience and feeling of relief to our community. We carry a variety of high-quality tinctures, lotions, hemp flower, and more! Visit us today to learn why CBD might be a good fit for you! Located on 31 across from the McHenry Library.

818 N Front Street - [cannablisscbdshop.godaddysites.com](http://cannablisscbdshop.godaddysites.com) - 815-687-2608

When we purchased Fantasy Factory in 2018, it was in need of some major TLC. First impressions after entering the store were not great; it had pink walls, stained carpeting, and gave you a weird feeling. Our mission was to bring the store into the 21st century and re-create the way we are viewed. Fantasy Factory Romantic Boutique is a relationship enhancement store specializing in adult novelties, lingerie, DVDs, and more! We are both woman-owned and nurse-owned. Our first priority is to educate our customers and provide a safe space for all.

### USING QR CODES

There are QR codes used throughout this calendar. Search Google or You Tube for detailed instructions. In short, point your phone's camera at one - focus and click on the link that appears. Google Lens will also work. Older phones may require a QR code scanner APP.

### USING GOOGLE LENS

Ever wonder, "What insect is that?" Or "What brand of clothing is that?" Scan the object with Google Lens and you will Google results with images, information, links and even where you can buy those clothes!

### SPECIAL INTEREST CALENDARS

Town Planner's powerful digital calendar has always offered local community events. But we realize residents may want to know what is happening in and around Chicago or other communities. You may want a favorite sports team's schedule, daily inspirations or even a daily laugh. Town Planner now offers Special Interest Calendars already created for these purposes. Select as many as you want and those events will populate your Town Planner calendar time line as well as your weekly e-newsletter. SCAN the QR codes below to check out a few.

### CREATE YOUR OWN CALENDARS

Navigate to Account>Login on [www.TownPlanner.com](http://www.TownPlanner.com) (This is free and takes minimal information) Once logged in click on "Calendar>My Calendars" in the menu bar. Click the "Create a Calendar" button and follow the prompts. When you create family reunions, sport team calendars, hobbies, church groups etc. you can place them on this calendar. Now, share, print or invite others to follow or add to your special calendar of events.
