Happy Holidays

### Dear friends and neighbors,

I am honored and thrilled to welcome you to 2025! Each new year brings fresh beginnings, endless possibilities, and incredible opportunities to explore new horizons and connect with our neighbors. I'm not sure there's a place more special than Bloomington, Indiana. Our community is a beacon—a light that attracts people from every corner of the world and every walk of life. I discovered it by chance on a cross-country bike ride during my college years.

When it came time to raise my family, I thought of Bloomington and knew it was home. I'll bet it's the same for many of you. The "Bloomerang" effect is real, and it's easy to understand why. We are a community of people who care about one another, celebrate and

appreciate our differences, and strive to make life better for those around us. We are welcoming and forward-thinking, always seeking progress and working hard every day to become more inclusive and just.

This shared ethos has made Bloomington a city with limitless potential. We boast one of the nation's most highly educated workforces—anchored by a world-renowned research university, incredible entrepreneurial spirit, and top employers whose work impacts our community and the world. With our parks, neighborhoods, schools, and vibrant arts and culture scene, we embrace the pursuit of living well. Through our social and community programs, we help improve the quality of life for all.

I couldn't be more grateful or humbled to serve as your Mayor and have the privilege of leading our community to new heights. Our journey forward involves learning from our experiences, building on past progress, and taking necessary steps to create an even better Bloomington. Co-creation with our community will continue to be at the heart of our work. We will shape the future of our city together.

My administration is dedicated to accountable servant leadership—listening to you, being transparent, and remaining responsive to the evolving needs of our community. We believe in demystifying government, cutting through the red tape, and making sure every resident feels empowered to engage with us. And we aim to be architects of joy-enhancing the qualities that make Bloomington vibrant, dynamic, and full of life.

As we look ahead, some of our biggest priorities will include creating more affordable housing, fostering economic growth, and continuing to invest in sustainability efforts. These are not just projects; they are commitments to making Bloomington a place where everyone feels they belong, no matter who they are, what they believe, or where they come from.

This new year marks a new beginning—for our city and for ourselves. I invite you to be part of our pursuit of fresh possibilities and exploration of new horizons. Attend council meetings, volunteer with community organizations, serve on one of our many boards and commissions—get involved! Bloomington needs you. Our future is vast and bright, and I'm excited to work with you to get there.

BLOOMINGTON

Happy New Year, from my family to yours!

We want to thank all of our sponsors for their loyalty and continued support for the past six years! This community resource is a FREE gift from the local businesses whose messages are displayed each month on the calendar.

This calendar is designed to be a daily resource guide for our community with pertinent events: school information, civic, cultural and tourism events, as well as a local telephone and website directory on the back of the calendar. Please support all of the businesses that have made this calendar possible by using the monthly coupons and letting our sponsors know you found them in the Town Planner!

Make sure to check out **TownPlanner.com** for all of the latest events and coupons around our area. You can also sign up to receive our weekly email E-Newsletters designed specifically with events and coupons in your area!

We wish you and your family a healthy, happy and blessed 2025!

Sincerely,

John+Sharon Martin\_
