Welcome to 2025!

Founded in 1821, Columbus, Indiana, is centrally located between Indianapolis, Cincinnati, and Louisville, minutes from Interstate 65. We are home to over 50,000 residents, making us the largest community in Bartholomew County. We are a city that celebrates our diversity, and unity through multiple festivals and cultural events throughout the year. Highlights include our Ethnic Expo fall festival, the Mill Race Marathon – Powered by Cummins, Inc., our holiday Festival of Lights Parade, the Chinese New Year's celebration, Diwali, Pride Festival, and Fiesta Latina.

While known for our commitment to architecture and design, Columbus is also a community which prioritizes safety, excellent public services, quality medical and educational opportunities, workforce opportunities and world class amenities. Columbus has over 1,000 acres in the city park system, which is ranked number one in the country for cities of this size by the National Recreation and Park Association. We've recently completed NexusPark – our health and wellness facility, which boasts a 150,000 sf fieldhouse, Parks Department space, a fitness center, medical offices, retail spaces and a new 2 acre park.

Cummins Inc., a Fortune 200 company, was founded in Columbus in 1919 and continues to be headquartered in Downtown Columbus. Columbus and the surrounding region have become a central manufacturing hub, home to the headquarters and manufacturing sites of many other important companies such as Toyota Material Handling, NTN Driveshaft, and Enkei America. The city has the highest number of mechanical engineers and industrial engineers per one thousand workers than any other metropolitan area in the country. Healthcare, information technology, and tourism comprise the other key industry sections of the local economy.

In the 1960s, Columbus community leaders articulated a clear and compelling vision: "We want to be the best community of our size in the country." The community has since devoted itself to achieving and maintaining that vision in all respects—educational offerings, economic strength, parks and recreation facilities, the design of public places, and overall quality of life.

Whether you are a resident of the City, or one of our many thousands of visitors, we are glad you are here and wish you a healthy and successful 2025!

Mayor Mary K. Ferdon

Dear Neighbors,

At the Columbus Area Chamber of Commerce, our vision remains unchanged: to serve as your foremost resource for business success. We are dedicated to fostering businesses, entrepreneurship, talent attraction, and innovation because we believe wholeheartedly that when businesses succeed, our entire community flourishes.

What continues to set us apart is the incredible unity among our members and the broader community. No matter the challenges we've faced, we have responded with remarkable ingenuity, resilience, and generosity. Columbus and this region have always been more than just a place—it is a vibrant, supportive home where businesses, community leaders, and neighbors strive for excellence and look out for one another.

As we step into 2025, we do so with renewed hope and optimism. The opportunities ahead are abundant, and together, we will continue to shape a future marked by growth, progress, and shared success. This new year brings with it fresh possibilities, and with the support of our Chamber members and the broader community, we are confident that the Columbus area will continue to thrive.

Thank you for being such an essential part of this journey. Together, we will build an even brighter future for our beloved city.

Warm regards,

*Cindy Frey*
