Town Planner®

Each year, creating our calendars brings immense satisfaction as we celebrate the beauty of Northwest Indiana, the place we call home. The anticipation from residents who eagerly await their copies reminds us of the joy these calendars bring to the community.

Our heartfelt thanks go to our contributing photographers, whose incredible work is showcased within the calendars. They do a beautiful job of capturing amazing images from our area. We're also appreciative of the staff at the Chamber, Parks Department, Town Hall, and the local community organizations, who provide the local events that are included in the calendars.

My deepest gratitude always belongs to our sponsors. Their dedication goes beyond providing services; they play a pivotal role in making our community flourish. If you love your free Town Planner calendar every year, thank the businesses for their participation.

For business owners interested in boosting your community engagement, feel free to reach out—I'd love to discuss print and/or digital opportunities.

Warmest Regards,

Stacy Travis

A vibrant night scene at a fair or festival. A large, brightly lit Ferris wheel with red, white, and blue lights is the central focus. Below it, colorful striped tents and other illuminated structures are visible. People are walking around the area, and the sky is dark with some clouds. The foreground shows the roof of a building and a yellow gazebo.
