To health and prosperity...

Greenwood prides itself on providing opportunities for everyone. Parks and trails, parades and festivals, shopping and dining; there is something for everyone to enjoy. Greenwood's 2025 community calendar will offer experiences all year long. Whether you are a visitor or a resident, young or old, Greenwood is

Greenwood continues to deliver on its long-standing commitment to its residents as a quality place to live, work, and play. Last year, we saw 16 pickleball courts added to the popular Freedom Park and the new Sports Park open, bringing space dedicated to recreation, health, and wellness. We strive to bring amenities that provide safe and stimulating environments for children as well as expanding programming in the community. With all the recent projects, we are excited to share Greenwood is now home to 18 parks and over 50 miles of linear trails.

With the Main and Madison restoration, and the tireless efforts of our local businesses, Old Town Greenwood has become the heart of a social renaissance. Old Town's restaurants, breweries, and shops have partnered to bring residents together for live music, food, and fun in the heart of Greenwood. We are excited to see our businesses grow and strengthen the community.

In 2025, we will focus our efforts on transportation improvements throughout Greenwood. It is crucial that we have a strong infrastructure as Greenwood continues to grow. These projects will enhance the flow of traffic and do so safely. Summer 2025 will see the construction of two new roundabouts along Smith Valley road, alongside the yearly road resurfacing and sidewalk repairs.

A city needs to grow in order to survive, but a city that forgets its roots is not the same city. This is why Pride and Progress is Greenwood's motto: pride for where we started, and pride for the progress we make each day. Progress that keeps the City of Greenwood a vibrant and welcoming place for families throughout generations as well as newcomers and guests; Greenwood welcomes everyone.

Whether you are a resident of the city, or you are just stopping by, welcome! I am glad to have you here. I hope you join us for all the exciting events that we have this year.
