Dear Southport Residents and Neighbors

Welcome to 2026!

My name is Jim Cooney and I'm the Mayor of Southport. Southport has seen many positive changes in the last few years. We are continuing to work on improvements in and around the city.

The City of Southport has a group of elected officials and volunteers that have been busy working to improve the quality of life in Southport. The Townplanner calendar details the dates and times of all public meetings in Southport. Please plan to attend the public meetings and present your opinions and new ideas as your schedule allows. Your Southport City Government needs to hear from you with your questions and ideas to be effective in their offices.

The Department of Parks and Recreation has planned a full year of exciting activities. Visit us and enjoy all that is planned! The events are listed on the calendar each month. Chief Vaughn and our Southport Police are working to keep our residents and streets safe. Please attend the National Night Out festivities in August and support the men and women that protect and serve the citizens of Southport. The Redevelopment Commission is working on a plan to add new businesses to our business district. Rebar Development and the Ridge Group in collaboration with the City of Southport has completed building a 4-story apartment building with approximately 92 studio, 1, and 2-bedroom apartments. The completion was in September 2025. The Board of Public Works and Safety is continuing its efforts to improve our streets and sidewalks and provide the Southport Police Department with the equipment needed to fulfill its mission. Our Stormwater Utility Board is planning to continue to improve stormwater drainage on Southport streets and neighborhoods.

Make time to visit Southport Park at 6901 Derbyshire. The renovations of past years now provide a great playground as well as new sports venues for softball and basketball. In 2025 we renovated the Park parking lot to make it more accessible to all. Visit our website at www.Southport.in.gov for up-to-date information and a complete listing of activities provided by the Department of Parks and Recreation. All events are free and open to the public.

I am looking forward to serving as your mayor in 2026 and hope to see you often as you shop, play, and travel through Southport. Please visit our website at www.southport.in.gov to obtain the information you need about Southport government and planned activities.

Jim Cooney
Mayor, City of Southport

The journey toward this historic milestone is an opportunity to pause and reflect on our nation's past, honor the contributions of all Americans, and look ahead toward the future we want to create for the next generation and beyond.
