Our slogan in Zionsville is "for all the right reasons". That goes for whether you are visiting for a few hours, a few days, or choosing to settle in for the long haul. The 'right reasons' include our charm, history, and the quiet confidence that our town's best days are still ahead.

Zionsville is a many-faceted town: with a historic brick Main Street, a picturesque village, and our rich rural heritage. Add to that our nationally recognized schools, 715 acres of public parks, and cherished events and traditions.

As Zionsville Mayor, I look forward to honoring our storied past as we move forward to the next phase of town's evolution. That will include a robust comprehensive planning process that will guide how we grow in the coming years.

While Zionsville will likely be among the fastest growing communities in Indiana, we want to make sure it remains one of the safest too.

Our vision is to support sustainable growth while preserving the small-town charm and character that is uniquely Zionsville. That includes rebuilding our South Village in a way that enhances the brick street business district. We will engage with Town leaders, neighbors, landowners and private businesses. We all have a stake in this property.

Our vision is to provide the services and amenities that you have told us you want. From our Parks and Recreation programs that sell-out every summer, to pickleball classes, to the farmer's markets and festivals that bring all of us together.

We are blessed with a high quality of life and we are served by the finest group of public employees in Indiana! I am excited about everything we can accomplish together in the coming years to make the best town in Indiana an even better place to live, learn, work, and play.

I hope you enjoy the Holiday season and look forward to 2025. I encourage you to reach out to me and other members of our team for ways to get involved with your local government.

In Zionsville, "community" is not just a noun — it is also a verb.

Mayor John Stehr

As the heart of Zionsville's business community for over six decades, the Zionsville Chamber of Commerce is dedicated to fostering growth and prosperity across our town. From local shops to thriving enterprises, we proudly support businesses of all sizes.

Our town's exceptional quality of life is enriched by acclaimed restaurants, unique boutiques, and captivating art galleries, all contributing to Zionsville's distinctive charm. We invite you to explore these treasures and experience the essence of our community.

At the Chamber, we foster connections that matter. We invite you to join us at our signature events such as Brick Street Market, Street Dance, and Christmas in the Village. These events not only bring our community together but also provide valuable exposure to new customers for local businesses.

Our social media presence continues to grow, sharing Chamber events, business highlights, and networking opportunities that benefit all who call Zionsville home. Whether you're a resident, visitor, or business owner, we're here to help you make the most of your Zionsville experience.

Explore more about our vibrant business community at www.zionsvillechamber.org.

Sincerely,

Mike Hanlon, Executive Director
Zionsville Chamber of Commerce
