The main image is an aerial view of Moncus Park, showing a large, winding pond in the center. A network of paved walking paths winds through the park, connecting various areas. To the right of the pond, there is a large, open grassy area with a playground structure. The park is surrounded by a dense line of trees, and a residential neighborhood is visible in the background. In the bottom left corner, there is a smaller image showing four gnomes sitting on tree stumps under a large tree. In the bottom center, there is a smaller image showing a field of tulips in bloom. In the bottom right corner, there is a smaller image showing two lounge chairs on a grassy lawn with a pond in the background.
