Growing with Abbeville General

Palms Hospital
1935 - 1966

Abbeville General
1966 - Current

Dear Patients, Families, and Communities We Serve,

It is my sincere honor to serve as the CEO of Abbeville General. It is truly a blessing to work side by side with some of the most professional staff in healthcare today. Abbeville General has been a proud part of the community since 1966. It's hard to believe that it has been 57 years since Abbeville General opened its doors to our community, and it's an incredible accomplishment to remain one of the few successful community owned healthcare providers in the state. This accomplishment couldn't happen without the commitment and hard work of our doctors, nurses, support staff, volunteers, board members, and YOU.

As time has evolved, healthcare has also evolved. We will continue this journey together. Working together growing together, healing together, and caring together. While our hospital has grown, both in size and services, the culture that makes us special still remains today. On behalf of our staff, Providers and Board of Directors, we offer our sincere thanks to all of you, the members of our community, who have given as much back to us as we have given to you. Thank you for choosing Abbeville General for your healthcare needs. It is an honor to serve you and we look forward to serving you and your family for the years to come.

Sincerely,
Michael J. Bertrand, II, MS, MBA
Chief Executive Officer
