The NuNu's story begins at the Blue Room Lounge in Milton, Louisiana. Opened in 1953 by Arthé Broussard, grandfather to the current generation of family owners, the Blue Room Lounge was a popular stop in the afternoons. Arthé would help his customers out by stocking a little of this and that extra, but he soon realized locals needed a grocery store more than they needed a lounge . . . and so NuNu's opened for business. In 1976 Walter "NuNu" & Jeanette Broussard, Arthé's son and daughter-in-law, opened a new building in Milton. That next year, the key to NuNu's success was born... quite by accident. When the butcher went on vacation, family members scrambled to figure out the recipe for the popular seasoning mix. Once they had that recipe down, it was a natural next step to offer the seasoning for sale. As the third generation of Broussard's watched the incredible growth in the Youngsville area, they realized the need for another NuNu's in that community. In 2007, the Youngsville fresh market opened. After years of collaboration and planning 2024 welcomed a new store in Maurice!
