**Museum of West Louisiana**  
803 South Third Street

The Museum of West Louisiana is situated in the historic Leesville KCS Depot, a vital transportation hub from 1916 to 1968. After falling into disrepair, it was added to the National Register of Historic Places in 1984 and fully restored by 1986, showcasing artifacts of Vernon Parish and West Central Louisiana's history and culture. Pioneer Park next to the museum is perfect for picnics and events, and features P.O.W. Paintings—murals by German prisoners of war from World War II. The Museum Gift Shop offers handmade and donated items.

Across the country or around the town, we can help you.

*But he said to me, "My grace is sufficient for you, for my power is made perfect in weakness."  
Therefore I will boast all the more gladly about my weaknesses, so that Christ's power may rest on me.  
That is why, for Christ's sake, I delight in weaknesses, in insults, in hardships, in persecutions, in difficulties.  
For when I am weak, then I am strong.*
