UNITED STATES OF AMERICA

ANNIVERSARY

A still life arrangement of autumn harvest produce. A woven basket is filled with various gourds, including a large yellow squash and several green and yellow pumpkins. Red apples are scattered around the basket and on the wooden surface. Several orange and red chrysanthemums are interspersed among the fruits. A few walnuts are also visible on the wooden surface. The background is a soft-focus bokeh of warm, golden-yellow and orange lights, suggesting a festive or autumnal setting. The word "November" is overlaid in large, white, sans-serif font across the bottom center of the image.

The CHAMBER
ALLEGANY COUNTY, MD

Hello Friends & Neighbors!

The Allegany County Chamber of Commerce is pleased to welcome you to the Town Planner Community Calendar for 2025. You will find a wealth of events and activities planned for businesses and the community over the next twelve months and if you're not already subscribed to their newsletter, you should be! Stacy and her team send updated happenings right to your inbox so you won't miss a single event all year.

The Chamber is proud to be a part of the Town Planner, which is presented to you free of charge, thanks to the generous support of area businesses and organizations. We know that this calendar is valued in our community and we're proud to be just one of the many locations around town where you can grab a copy or two. Money saving coupons and helpful listings, school schedules, and other community activities, plus plenty of room to add your own appointments and special events make this calendar so special. Please be sure to visit and promote the businesses who have inserted coupons for great money saving benefits and support the area organizations holding events to fundraise.

I encourage you to become actively involved in your local Chamber of Commerce and your community. From volunteer work through your member employer, and several community events each year, and even international travel opportunities, the Chamber is an easy way to support local business.

Have an amazing 2026!
