The CHAMBER
ALLEGANY COUNTY, MD

Hello Friends & Neighbors!

The Allegany County Chamber of Commerce is pleased to welcome you to the Town Planner Community Calendar for 2025. You will find a wealth of events and activities planned for businesses and the community over the next twelve months and if you're not already subscribed to their newsletter, you should be! Stacy and her team send updated happenings right to your inbox so you won't miss a single event all year.

The Chamber is proud to be a part of the Town Planner, which is presented to you free of charge, thanks to the generous support of area businesses and organizations. We know that this calendar is valued in our community and we're proud to be just one of the many locations around town where you can grab a copy or two. Money saving coupons and helpful listings, school schedules, and other community activities, plus plenty of room to add your own appointments and special events make this calendar so special. Please be sure to visit and promote the businesses who have inserted coupons for great money saving benefits and support the area organizations holding events to fundraise.

I encourage you to become actively involved in your local Chamber of Commerce and your community. From volunteer work through your member employer, and several community events each year, and even international travel opportunities, the Chamber is an easy way to support local business.

Have an amazing 2025!

Attention Amateur & Professional Photographers!

We invite you to submit your color photography for possible use in the 2026 Town Planner calendar. We are interested in local photography highlighting our local scenery, events, activities, and landmarks throughout the seasons of the year.

If you are interested in submitting your photo(s) for consideration visit www.TownPlanner.com.

Deadline for submissions is July 15, 2025.

Dear valued customers, friends, and neighbors,

We are pleased to present the 21st annual Town Planner calendar. We are thrilled to announce that our first "solo" year of our program has been a resounding success! Throughout the year, we've had the privilege of connecting with numerous new businesses and witnessing the incredible impact of dedicated entrepreneurs in our communities. It has been inspiring to see so many driven individuals working passionately to create positive change and contribute to the growth and vitality of their local communities.

The innovation and commitment demonstrated by these entrepreneurs have truly highlighted the potential within our communities. We are honored to be part of their journey bringing them into your homes through this community calendar which is made possible by the generous support of advertising sponsors, businesses, and organizations who care about your community! Please give consideration first to the businesses who make your Town Planner possible.

We look forward to continuing to support and collaborate with these businesses who are making such a meaningful difference. We would also like to welcome any new businesses to the Town Planner family! Make it our business to help get your business noticed!

On behalf of all who make the Town Planner possible: Mark, Kevin, Colton, Christie, Sierra, Chelsea, Shelly, the photo contributors, and the advertising sponsors, we wish you a happy, healthy, and prosperous new year!!
