There are so many reasons to love your Town Planner Community Calendar! No matter what your reasons are, it takes A LOT of effort to bring you this annual calendar. It may be provided free to local families, but it's definitely not free to publish! And those costs are only rising.

If you're one of the many residents that has told us that they "feel lost" without their planner, we hope that we can count on you to help defer a small portion of the publishing costs by mailing a check of any size to the below address OR simply scan the QR code to contribute on Venmo!

NORTHEAST FUN FACTS!

- Historic Immigrant Community: Northeast Minneapolis
 has deep roots in immigration, with a rich history of settlers
 from Eastern Europe, particularly Poland, Germany, and
 Ukraine. This heritage is still celebrated in the
 neighborhood's churches, festivals, and cultural landmarks.
- Art District: Northeast Minneapolis is home to one of the largest art districts in the Midwest. The Northeast Minneapolis Arts District, centered around former industrial spaces, is filled with artist studios, galleries, and creative workshops. Events like Art-A-Whirl, the largest open-studio tour in the country, attract thousands every year.
- "Nordeast" Dialect and Accent: The area is famously known as "Nordeast" by locals, reflecting a unique local dialect. The distinct pronunciation and the pride in the "Nordeast" identity are seen in neighborhood slogans and branding, from businesses to street art.
- Historic Churches: Northeast Minneapolis is known for its beautiful historic churches, often referred to as the "City of Churches." Many of these churches, like St. Mary's Orthodox Cathedral and Holy Cross, were built by the area's early Eastern European settlers and are architectural landmarks.

- St. Anthony Falls: Northeast Minneapolis is located near St. Anthony Falls on the Mississippi River, an area that was crucial to the city's early flour milling industry. The falls provided the water power that helped Minneapolis become a global flour milling center in the 19th century.
- Polish and Ukrainian Festivals: Northeast hosts cultural festivals that honor its Eastern European roots, including the Polish Fest at Holy Cross Church and Ukrainian Heritage Festival at St. Constantine's Ukrainian Catholic Church. These events feature traditional food, music, and dancing.
- Boom Island Park: This park in Northeast is a popular destination for scenic views of the Minneapolis skyline, picnicking, and river activities. It was formerly an island in the Mississippi River and is now connected by a pedestrian bridge.
- Historic Grain Belt Brewery: The Grain Belt Brewery, one of the most iconic brands in Minnesota, was originally based in Northeast Minneapolis. Although the brewery itself is no longer active, the famous Grain Belt Beer sign along the Mississippi River is a well-loved landmark and a nostalgic symbol for many Minnesotans.

These fun facts highlight the unique cultural, historical, and artistic character of Northeast Minneapolis, making it one of the city's most vibrant and diverse neighborhoods.
