There are so many reasons to love your Town Planner Community Calendar! No matter what your reasons are, it takes A LOT of effort to bring you this annual calendar. It may be provided free to local families, but it's definitely not free to publish! And those costs are only rising.

If you're one of the many residents that has told us that they "feel lost" without their planner, we hope that we can count on you to help defer a small portion of the publishing costs by mailing a check of any size to the below address OR simply scan the QR code to contribute on Venmo!

There are so many reasons to love your Town Planner Community Calendar! No matter what your reasons are, it takes A LOT of effort to bring you this annual calendar. It may be provided free to local families, but it's definitely not free to publish! And those costs are only rising.

If you're one of the many residents that has told us that they "feel lost" without their planner, we hope that we can count on you to help defer a small portion of the publishing costs by mailing a check of any size to the below address OR simply scan the QR code to contribute on Venmo!

NEW HOPE FUN FACTS!

- **Agricultural Beginnings:** New Hope began as a farming community, initially part of Crystal Lake Township in the 1930s. Early settlers, mostly farmers, separated from Crystal Lake Township to form their own village as suburbanization began to take hold, naming it "New Hope" to reflect their vision for a new, prosperous agricultural community.
- **Post-War Suburban Boom:** After World War II, New Hope experienced a suburban boom, transforming from farmland to residential neighborhoods almost overnight. This shift was part of a larger post-war trend where Minneapolis-area suburbs grew rapidly, accommodating veterans and their families who wanted to settle outside of the city.
- **Incorporation as a Village:** New Hope was officially incorporated as a village in 1953. This marked the beginning of its transition from a rural township to a structured community with formal governance, allowing it to better manage the rapid growth and development.
- **Historical Cemeteries:** New Hope is home to some historic cemeteries that date back to the late 19th century, serving as final resting places for some of the area's earliest settlers. These cemeteries are often overlooked but reflect the area's agricultural and pioneering roots.
- **Transformation of Open Spaces:** Many of New Hope's parks and recreational areas were originally farmland or undeveloped open spaces. As the city developed, these lands were gradually transformed into public spaces, leading to New Hope's unusually high number of parks and green spaces for its size.
- **Decline and Revival of Downtown:** In the 1970s, New Hope saw a decline in its downtown area as shopping malls and new commercial areas in nearby suburbs drew away shoppers. The city has since worked on revitalizing its community spaces, with investments in parks, a new city hall, and the New Hope Aquatic Park to attract residents and visitors.
- **Pioneers of Community Theater:** New Hope has been home to local performing arts for decades. The Off-Broadway Musical Theatre, founded in 1978, became one of the first community theater groups in the area to offer outdoor summer performances, an initiative that helped cultivate local interest in the arts.

For the celebration of a lifetime, plan every detail.

Whether you prefer a simple gathering or an elaborate celebration, rely on us to help you coordinate every detail.
