Dear Matthews Community,

As we step into another exciting year, it's a privilege to reflect on what makes our town such a vibrant and welcoming place. Matthews is more than just a location—it's a thriving community where businesses flourish, neighbors connect, and families build lasting memories.

The Matthews Chamber of Commerce is proud to be a cornerstone of this energy. Since our founding 45 years ago, we've been dedicated to fostering growth and collaboration among businesses, supporting entrepreneurs, and enhancing the local economy. Today, the Chamber comprises a diverse network of small business owners, corporate leaders, nonprofits, and passionate individuals who share a commitment to making Matthews exceptional.

Through events like the Fall for Matthews Festival, the Touch-A-Truck event, and initiatives supporting small businesses, we aim to create opportunities that bring our community together. We also advocate for the resources and infrastructure that ensure Matthews remains a dynamic place to live, work, and play.

Matthews has so much to offer—from our charming downtown with its unique shops and restaurants to our beautiful parks and cultural events. Whether you're a long-time resident or a newcomer, we encourage you to explore everything our town has in store.

With gratitude,
Jessica Tullar
President & CEO
Matthews Chamber of Commerce

Happy New Year, Matthews!

As we welcome 2025, I'm excited about the opportunities and progress ahead for our community. Here's a glimpse of what's on the horizon:

Fire Station 3: Construction is nearing completion on Fire Station 3 located at 3017 Matthews Mint Hill Road. This new station will bring Matthews Fire & EMS services closer to residents in this area. To prepare for its opening, the department expanded its career staff by 50%, adding 14 new members and appointing three Battalion Chiefs earlier this year.

Vision Zero Initiative: Matthews has officially committed to Vision Zero, a global initiative to eliminate traffic fatalities and severe injuries. In 2025, we'll adopt the Vision Zero Action Plan which outlines steps to redesign road systems and policies for safer, more equitable mobility.

Parks & Recreation Master Plan: We are wrapping up work on the Game Plan, an updated 10+ year strategy for parks, recreation activities, and facilities in Matthews. Additionally, it is my hope that in 2025 we move forward with a bond issuance to fund the much-anticipated Purser-Hulsey Park design and construction, as well as other park improvements.

Transportation Projects: Progress continues on the I-485 Express Lanes/Interchange addition. Work is expected to begin soon on the McKee Road extension (from Pleasant Plains to John Street) and the Greylock Ridge extension (from John Street to Tank Town Road).

You can learn more about these initiatives and stay updated on other town news at www.matthewsnc.gov.

I also hope to see you at our signature events this year, including Matthews Alive, Beats N Bites, and Pawsitively Matthews. Visit www.matthewsfun.com for a full event calendar.

Stay connected by following us on social media (Facebook, Instagram, and Nextdoor) or reaching out through our website.

Wishing you a happy, healthy, and prosperous 2025!

John Higdon, Mayor of Matthews

Hello friends and neighbors!

With every new year comes new hope, new opportunities and a new calendar! Welcome 2025!

Please accept this calendar as a gift from local businesses. They invest in our community and they invest in us! Our area is in a time of growth and change. There are new buildings, new roads, new developments, new neighbors and new opportunities! There are local events, entertainment and fun things to do every day. There are new businesses offering shopping, dining, health improvement, financial support, home services and anything you can think of. Much of the growth can be attributed to local, independently owned small businesses. Some are new but some of these businesses have been around years - but all the businesses invest in our community daily to help us grow and prosper. These are the businesses that help keep our area fun, interesting and home grown! The same businesses that come together to bring you this calendar. Please seek out the locally owned small businesses and show your appreciation for them being part of our community. Tell them you saw them in the Town Planner Calendar and thank them for sending it to you.

May you experience all the great things 2025 has to offer!
