IN STORE REPAIRS

Dear Residents and Friends of Monroe,

First and foremost, I want to welcome you to the greatest city in North Carolina! My name is Robert Burns, and I am honored to continue serving as the mayor of Monroe. Our city is a place of rich history, thriving diversity, and a community spirit that drives us forward. On behalf of the City of Monroe and our City Council, thank you for being part of our journey as we work to make Monroe the premier destination to live, work, and grow in North Carolina. Together, we are building a brighter future—because we are #MonroeStrong.

It is my pleasure to introduce you to the 2025 Town Planner Calendar. This calendar is a fantastic resource for our residents, offering a wealth of information about city activities, events, and essential contacts for local government services. It also features coupons from many of our outstanding local businesses, highlighting our commitment to fostering a thriving economy and supporting our local entrepreneurs. Your support of these businesses strengthens the fabric of our community.

As we move into 2025, I am inspired by the progress we have made under the Monroe Forward Strategic Plan. From enhancing public safety and revitalizing our historic downtown, to expanding workforce development opportunities and promoting sustainable growth, we are shaping a city that embraces innovation while preserving its unique charm. This year, we will continue our focus on citizen engagement and creating an environment where families, businesses, and visitors can all flourish.

I am deeply honored to serve all of Monroe’s citizens, and I look forward to the year ahead. I wish you and your family abundant blessings, health, and prosperity in 2025. Thank you for being an essential part of what makes Monroe such a remarkable place to call home.

Sincerely,
Robert Burns, Mayor
City of Monroe

Hello friends and neighbors!

With every new year comes new hope, new opportunities and a new calendar! Welcome 2025!

Please accept this calendar as a gift from local businesses. They invest in our community and they invest in us! Our area is in a time of growth and change. There are new buildings, new roads, new developments, new neighbors and new opportunities! There are local events, entertainment and fun things to do every day. There are new businesses offering shopping, dining, health improvement, financial support, home services and anything you can think of. Much of the growth can be attributed to local, independently owned small businesses. Some are new but some of these businesses have been around years - but all the businesses invest in our community daily to help us grow and prosper. These are the businesses that help keep our area fun, interesting and home grown! The same businesses that come together to bring you this calendar. Please seek out the locally owned small businesses and show your appreciation for them being part of our community. Tell them you saw them in the Town Planner Calendar and thank them for sending it to you.

May you experience all the great things 2025 has to offer!
