On behalf of the Freehold Township Committee, I extend best wishes for the year 2025 to all residents of the Freehold area. I hope it will be a year filled with good health, much happiness, peace and prosperity.

As one of the original Monmouth County Townships, Freehold Township's past dates back to 1693. Through the years, we have maintained the sense of community spirit that makes our Town so very special. Even though Freehold Township encompasses 38.5 square miles and has a population of approximately 36,000 residents, we are proud of our reputation as a "family town" with thousands of acres of preserved land; we are preparing for our future as we are celebrating our past.

In Freehold Township, we have so much to offer to our residents and visitors. People enjoy our beautiful parks and playing fields, our playgrounds for children of all abilities as well as our shopping and entertainment venues. Our Senior Center is busy with classes ranging from crafts and lectures to dancing and exercising, as well as trips to exciting venues. Our community garden has proven to be very successful with residents reaping the individual benefits of their labor and the profits of this venture are dedicated to the community garden for next year's maintenance and upgrades. From recreational activities for the young and senior activities for the young-at-heart, there is something for everyone.

From our destination mall or any of our locally owned businesses that offer a multitude of goods and services, indoor entertainment and movie theaters, to historic re-enactment days at our preserved sites and a variety of festivals, various camps for our children and recreational activities in our parks for everyone, there is always something to do throughout the year. Additionally, Freehold Township is ideally located with an easy drive to New York City, Atlantic City and Philadelphia.

The sense of community pride that is the hallmark of Freehold Township is made possible through the efforts of our employees, our volunteers and all of our residents. We are grateful to them and for their dedication.

The Freehold Township Committee and I wish everyone a wonderful 2025.

ON BEHALF OF THE FREEHOLD TOWNSHIP COMMITTEE
ANTHONY J. AMMIANO, MAYOR
Freehold Township

Dear Neighbors:

As the Mayor of Freehold Borough and on behalf of the Council and Borough Officials, it is my pleasure to wish all of our residents and neighbors a very Happy Holiday Season and Bright New Year for 2025. We are pleased to present the Town Planner which is full of information for our residents. We hope you will utilize all of the resources and coupons available in it.

As we end 2024, we are excited to see the completion of our library renovations funded in part by the New Jersey Library Construction Bond Act. Our beautiful historic Carnegie Library, which has been a staple on Main Street since 1904, now has increased accessibility and public space while maintaining the building classic look and feel. Residents and visitors are welcome to visit us at 28 1/2 East Main Street, see the improvements, peruse the shelves and enjoy all the library has to offer.

Throughout our town, there are many parks for our residents to enjoy. This past year we've made many upgrades to Liberty Street Park and saw the expansion of Monmouth County's Henry Hudson Trail which the bike riders and hikers love. Lake Topanemus continues to be a place for families to enjoy walking trails, fishing, picnics and playgrounds. Wilson Park is home to our lighted Little League fields. There is also a thriving community garden near-by which donates excess crops to local food pantries.

Freehold Borough was again named one of New Jersey's Healthiest Towns for 2023. Throughout 2024 we continued to bring new programs to our residents and introduce recreation activities to the kids in the community. Summer Camp keeps the kids busy when school is out, and the Freehold Borough Basketball League teaches kids about more than just basketball through the winter.

Freehold Borough may be small in size but large in amenities. We have a rich history and beautiful architecture that is admired. Our diversity is encouraged and while we have families that have lived here for generations, we love to see new families come to town and become active, engaged residents. Best wishes for 2025 and may you and your family enjoy all that Freehold Borough offers.

Borough of Freehold
