On behalf of the Freehold Township Committee, I extend best wishes for a 2026 year filled with good health, much happiness, and peace.

There are so very many things to celebrate about Freehold Township and the United States of America in 2026. While Freehold Township will be celebrating its 333rd anniversary, the USA will be celebrating its 250th anniversary! This will be a year-long celebration not only in Freehold Township, but also in Monmouth County and across the nation!

Freehold Township truly represents the best of New Jersey living — a perfect blend of historic charm, vibrant community spirit, and modern opportunity. From our beautiful parks and open spaces to our excellent schools and thriving local businesses, our town offers a quality of life that is unparalleled. We are proud of our deep agricultural roots, our commitment to preserving open land, and our forward-thinking approach to growth and innovation. Whether you are enjoying a day at Michael J. Tighe Park, shopping along Route 9, or spending an afternoon at one of our historic sites, there's something here for everyone.

What makes Freehold Township truly special, however, is its people. Our residents are the heart of this community — neighbors who care, volunteer, and step up for one another in both good times and challenging ones. We celebrate our diversity, our shared traditions, and our strong sense of belonging. Generations of families have chosen to make Freehold Township their home, and new families continue to join us, drawn by the welcoming spirit that defines our town. Together, we make Freehold Township the best place in the world to live, work, and raise a family.

As we embark on this new year, we know the world is moving fast and often seems like there is much disconnect, anger, and even hate surrounding us. But that's not the truth. The truth is that most people are good. Most work to make the world better. Most want to help. Most love. We all want better. Better for not only ourselves but for the greater good, too. Therefore, I am going to ask the same as I did in 2022; We are all different. We come from different backgrounds, have different thoughts and beliefs. But we are all Americans. And we do actually share many of the same thoughts and beliefs. Let's stand together with love for our country, community and neighbors.

ON BEHALF OF THE FREEHOLD TOWNSHIP COMMITTEE
MAUREEN FASANO, Mayor Freehold Township

Dear Residents:

As we conclude another year and look ahead, it is my honor to wish all of our residents, neighbors and businesses a very Happy Holiday Season and Bright New Year for 2026. We are pleased to present the Town Planner, which is full of information for our residents. We hope you will utilize all of the resources and coupons available in it.

2026 will be a year of celebrations as America turns 250 years old and celebrates its Semiquincentennial. There will be activities planned during the year in town, throughout the county and across the state to commemorate this momentous occasion. I encourage you to take part in the planned activities close to home, visit some of the many historical sites across this great nation or take a trip Washington, DC. As we end 2025, we are excited to see a new chapter for Downtown Freehold and watch the Hometown Redevelopment Project take shape. This project promises to bring new energy, opportunity and vibrancy to our community. It represents more than just construction and new buildings. It's reimagining what's possible for our downtown, creating a space where neighbors can live, work and gather, complimenting and supporting our existing businesses all while preserving the character and charm that makes Freehold special.

Freehold Borough was once again named one of New Jersey's Healthiest Towns for 2024. Throughout 2025, we continued to bring new programs to our residents and introduce recreation activities to the kids in the community. We have included activities for seniors including a walking program, chair yoga and multi-generational mahjong classes.

Freehold Borough is looking forward to many great changes. Working together with our residents, businesses and professionals, we will continue to honor our past while building thoughtfully for our future.

On behalf of the Governing Body and all of the Borough employees who work hard all year, best wishes for 2026 and may you and your family enjoy all that Freehold Borough has to offer.

Kevin A. Kane
