Township of Colts Neck
2025 RECYCLING COLLECTION
INSTRUCTIONS

Colts Neck Township automated recycling collection is in full effect. As part of this program, each household was provided with one (1) green, 96-gallon, wheeled recycling cart for use in placing recyclables at the curb. This cart, while the property of Colts Neck Township, will be linked to your address by a serial number embedded within the cart. Proper care of the cart is the responsibility of the homeowner. If you move from your home, the cart must remain with your property. Following is important information regarding recycling collection:

- Single Stream Recycling (fully comingled) remains in place. All acceptable recyclable materials (see below) **MUST** be placed in the cart and placed curbside for collection.
- **Only contents within the cart will be collected. Nothing on the outside of the cart, leaning against the cart, or items in other types of cans or bins nearby will be collected.**
- Place the cart in the street with the wheels against the curb with the lid opening towards the street. If there is no curb, place the cart at the street line within two feet of the street.
- As always, carts may be put out the night before your scheduled collection day and must be removed the day of collection.
- Place the cart at least 4 feet from trees, utility poles, mailboxes, etc., and at least 5 feet away from any cars parked in the street. If your household trash collection is the same day, be sure to leave at least 4 feet between the two carts.
- The automated truck arm has a maximum reach of 4 feet. The arm requires a 3 foot clearance around the cart for the lifting mechanism to work properly. Cars parked within 5 feet of the container will inhibit or even prevent collection.

Important Reminders:

- **CARDBOARD** must be flattened and placed in the cart. If it is on the ground, it will not be collected.
- **NO PLASTIC BAGS** of any kind will be collected. Do not place inside cart.
- **NO FOOD WASTE** may be placed inside your curbside cart.
- **PLEASE RINSE** all recyclable items that contained food or beverages.
- **MISSED COLLECTION ONLY:** Please call Republic Services at 732-991-7270.

SCHEDULE

- Curbside collection will be every other week on Mondays and Thursdays.
- Recycling **WILL** be collected on Memorial Day, and Labor Day.
- Recycling **WILL NOT** be collected on Thanksgiving Day & Christmas Day.
- Zone 4 will be collected on the day after Thanksgiving, Friday, November 28, 2025.
- Zone 4 will be collected on the day after Christmas, Friday, December 26, 2025.

The Holmdel Township Committee would like to wish all residents of Holmdel a very Happy New Year!

We are proud to live and serve in one of the finest municipalities in the state of New Jersey. The past year has brought a lot of growth to Holmdel Township, and we capitalized on many opportunities to improve our community. Some of the positive developments over the past twelve months include our continued efforts to update our roads and infrastructure, the opening of a new recreational facility with the Courts at Bailey Lane, and the dedication of Robert Wilson Park at Crawford Hill.

Through accomplishments like these and more to come in the year ahead, we promise to continue working toward our common goal: that Holmdel Township be a wonderful place to live, work, and recreate. This Township Committee shares that desire for our hometown.

We thank you for all the work that you do to help move Holmdel Township in a positive direction, and may the year ahead be a healthy and happy one.
