Township of Colts Neck  
**2026 RECYCLING COLLECTION**  
**INSTRUCTIONS**

Colts Neck Township automated recycling collection is in full effect. As part of this program, each household was provided with one (1) green, 96-gallon, wheeled recycling cart for use in placing recyclables at the curb. This cart, while the property of Colts Neck Township, will be linked to your address by a serial number embedded within the cart. Proper care of the cart is the responsibility of the homeowner. If you move from your home, the cart must remain with your property. Following is important information regarding recycling collection:

- Single Stream Recycling (fully comingled) remains in place. All acceptable recyclable materials (see below) **MUST** be placed in the cart and placed curbside for collection.
- Only contents within the cart will be collected. Nothing on the outside of the cart, leaning against the cart, or items in other types of cans or bins nearby will be collected.**
- Place the cart in the street with the wheels against the curb with the lid opening towards the street. If there is no curb, place the cart at the street line within two feet of the street.
- As always, carts may be put out the night before your scheduled collection day and must be removed the day of collection.
- Place the cart at least 4 feet from trees, utility poles, mailboxes, etc., and at least 5 feet away from any cars parked in the street. If your household trash collection is the same day, be sure to leave at least 4 feet between the two carts.
- The automated truck arm has a maximum reach of 4 feet. The arm requires a 3 foot clearance around the cart for the lifting mechanism to work properly. Cars parked within 5 feet of the container will inhibit or even prevent collection.

#### Important Reminders:

- CARDBOARD** must be flattened and placed in the cart. If it is on the ground, it will not be collected.
- NO PLASTIC BAGS** of any kind will be collected. Do not place inside cart.
- NO FOOD WASTE** may be placed inside your curbside cart.
- PLEASE RINSE** all recyclable items that contained food or beverages.
- MISSED COLLECTION ONLY:** Please call Republic Services at 732-991-7270.

We pause to reflect on what a privilege it is to live in a community blessed with such natural beauty. From the quiet charm of our preserved farmlands to the stunning views from atop Holmdel's hills, our Township is truly a special place.

Our collective commitment to open space preservation remains paramount. This dedication is what defines Holmdel's rural character and protects the pristine environment we all cherish. Rest assured, we will continue to be tireless stewards of our resources, ensuring this natural legacy endures for future generations.

Looking ahead, the new year is full of outstanding recreational opportunities. We are working to enhance our local parks and trails, and we encourage you to take advantage of the expanded programs available at Holmdel's parks and the Senior/Community Center. Whether you are looking for a fitness class, space to engage in a sport, or simply a beautiful place for a walk, Holmdel has something to keep every resident active and engaged.

Furthermore, we remain steadfast in our support of our students and award-winning school system. Our schools are the heart of our community, and we will continue to prioritize collaboration with the Board of Education to ensure our students and educators have the resources necessary to maintain excellence and achieve their highest potential.

Ultimately, the true strength of Holmdel lies in its people. Let us dedicate ourselves to coming together as a community in the year ahead — supporting our local businesses, volunteering our time, and fostering deeper connections with our neighbors.

We are honored to serve you and look forward to a fantastic year working together.

Happy New Year,
