To my constituents,

As you probably know, the sun is about to set on my time as the mayor of Howell. After eight years as your mayor, I have had the highest honor and pleasure of meeting so many of my neighbors and members of this community and being your public servant. And what an interesting, transformative, and humbling experience this has been, to say the least!

As your mayor, I tried my absolute best to preserve this town's integrity as a haven for good and honest people, to work out solutions to any problems (big and small) that arose, and to foster collaboration among all of our residents to cultivate a brighter future together. As I'm writing this, I can't help but get a bit emotional as I reflect on all of the memories I get to walk away with from this experience, and how many wonderful people have walked into my life as a result. I'm thinking about all of the events we've pulled off, the Mayor Summer Series, working with the students at Howell's public schools, the graduation ceremonies, the weddings I've officiated — it's all rushing back to me like flipping through a photo album in my mind. I'm so grateful for this opportunity and thankful to all the people who believed in me and supported me throughout my tenure in this position, and for all the people who had the confidence in me to elect me (twice!) into office.

While I can't say that being mayor was always easy, I can say with certitude that it was rewarding. For that, I'd like to thank the people who worked alongside me to make improvements to the town — everyone in Howell's school administration and Mr. Braverman for including me on student projects and programs, all of the Howell Police Department, Howell Fire Department, and Howell emergency Services for their trust and for keeping the town safe, Mayor Daley of Farmingdale for his kindness throughout this journey, all of the families and friends I've gotten to know over the past eight years, the members of Council on both sides of the aisle who worked with me to achieve our goals, and all the members of the Democratic Party for their guidance, mentorship, and friendship.

As always, most importantly, I thank my family — my husband, Eric, and two sons, Zachary and Alec — for keeping me (somewhat) sane through all of this. I love you all!

To the next administration, I wish you the best of luck and if there's ever an issue I can help with, my door is always open.

Now that I get to return to Howell as one of the citizens, I look forward to the next few years of watching it from the sidelines — seeing the young families grow and start new families, seeing Howell shift and change with the tides. If I can offer any advice to whoever may be reading this, it would be this:

Life is so short! Say what you feel. And don't be afraid to live your truth.

Regards,
Theresa
