*Marlboro Township Municipal Complex
Veterans Memorial*

Dear Neighbor,

Marlboro is a beautiful community with a rich history, strong schools and excellent public services. Our town is made up of 32 square miles that include parks, dedicated open space, varied recreational activities and plenty of shopping. From a financial point of view, we are one of just seven (7) Municipalities in New Jersey (out of 565) that have received a triple-A bond rating from both S&P and Moore's...the top 1%. There are few independent and truly objective report cards in the world of local government, and I believe the credit rating reflects not only Marlboro's fiscal strength and stewardship, but what we more generally offer as a community. It echoes what we feel and know to be true as residents – that Marlboro is a premier suburban destination in the State.

The Town Planner is a great resource containing coupons and information on keeping your shopping dollars local, however we remind you that the official Township Calendar is mailed to all residents and posted on line. That calendar, printed on cardstock with a green and white cover with 'OFFICIAL' in red, is the only one that can be relied upon for accurate information regarding leaf and brush pickups, weather and holiday schedule adjustments, as well as recycling schedules and regulations.

One of my administration's major objectives is to keep our residents well informed. We have thousands of followers on our social media platforms and more than 25,000 residents registered to receive email updates. Weekend Updates are sent with information regarding programming, events, and emergency updates. Road Construction notices help you avoid road closures.

Whether due to emergencies or inclement weather, the Marlboro Office of Emergency Management (OEM) may cancel or postpone curbside lawn debris pickup, recycling collections, and adjust the Township services and hours. Please visit our website at www.marlboro-nj.gov and enter your email in the blue 'Alerts' box. By providing a variety of communication options it is our goal to be able to communicate with every resident, for all types of urgent situations, even when some lines of communication are disrupted.

Programs and recreational activities are offered year-round for all ages. Our community gathers for Marlboro Day, Holiday Lighting, National Night Out, concerts, fireworks and more. Our Recreation features robust programming for all ages and interests. Our Farmers Market, set on 56 acres of preserved land is open Sundays from June to October with a special Fall Holiday market the Sunday just prior to Thanksgiving.

Safety is a primary focus as suburban towns throughout New Jersey. We have been working hard to get meaningful common sense reforms passed in Trenton to help curb the rise in property crimes which spiked in communities throughout the state following the pandemic. In Marlboro we adopted numerous local anti-crime initiatives, and through the engagement of Marlboro police and our residents drove property crime down, resulting in an 80+% reduction from a year ago-outpacing the drop in property crime statewide. I am pleased to announce that, in October, Governor Murphy signed bipartisan legislation raising penalties for residential property crimes and ensuring that those who commit these crimes are held accountable.

Remember to lock your car doors, take the fob and garage door opener inside your house and do not keep them easily accessible in your home. If you have a house alarm, set it. Together we will keep Marlboro the safe place it is to live and raise a family. If you see something, say something! Report anything suspicious, no matter how small. I thank you and your neighbors for staying engaged and serving as the eyes and ears of the brave men and women who protect and serve our community.

The Marlboro Police Department is committed to providing the highest level of law enforcement services to our residents. In addition, we are very lucky to have two First Aid Squads and three Fire Departments all made up entirely of volunteers that are on call 24 hours a day, 7 days a week. The police and emergency services can be reached at (732) 536-0100. Call 911 for a crime in progress or emergencies.

More information about our programs can be found on the Township website. I am extremely proud to be the Mayor of this wonderful community. Remember, Town Hall is here to help. Please do not hesitate to call us if you have any questions or need assistance. On behalf of the Township Council and employees, we wish everyone all the best in 2025.

Very Truly Yours,

Jonathan L. Hornik
