Dear Neighbor,

Marlboro is a beautiful community with a rich history, strong schools and excellent public services. Our town is made up of 32 square miles that include parks, dedicated open space, recreational activities and plenty of shopping. This year we have several initiatives to be proud of, but at the top, is officially preserving 411 acres of open space at the site of the former Marlboro State Hospital property. This means that no homes will ever be built on that site, and we now boast over 1,000 acres of open space within our borders.

Like the Town Planner, we know the importance of local businesses. With the goal of showcasing our local restaurants and highlighting Marlboro as a premier dining destination, in 2025 we launched our Inaugural Restaurant Week. I'm proud of all the restaurants who have made this an outstanding success, and we look forward to Restaurant Week 2026.

The Town Planner is a great resource containing coupons and information on keeping your shopping dollars local, however we remind you that the official Township Calendar is mailed to all residents and posted online. That calendar, printed on cardstock with a green and white cover with 'OFFICIAL' in red, is the only one that can be relied upon for complete information regarding leaf and brush pickups, schedule adjustments, as well as recycling schedules and regulations.

One of my administration's major objectives is to keep our residents well informed. Whether due to emergencies or inclement weather, the Marlboro Office of Emergency Management (OEM) may cancel or postpone curbside lawn debris pickup, recycling collections, and adjust the Township services and hours. Please visit our website at www.marlboro-nj.gov click 'Subscribe Now!' in the pop up box and enter your email. Recycle Coach is a free platform for residents to find out their Recycling, Leaf, Brush, and Bulk schedules and schedule changes and updates. Set up reminders, learn what goes where and more. Access Recycle Coach on your computer or by downloading the free Recycle Coach app.

Under the leadership of Chief Peter J. Pezzullo, Marlboro Police provide the highest level of service to our community. They consistently earn high ratings from independent safety organizations and the 2025 budget again expanded our Police Department to maintain and safeguard our standard of excellence. In addition, we are very lucky to have two First Aid Squads and three Fire Departments all made up entirely of volunteers that are on call 24 hours a day, 7 days a week. The police and emergency services can be reached at (732) 536-0100. Call 911 for a crime in progress or emergencies.

Remember to lock your car doors, take the fob and garage door opener inside your house and do not keep them easily accessible in your home. If you have a house alarm, set it. If you see something, say something! Report anything suspicious, no matter how small. I thank you and your neighbors for staying engaged and serving as the eyes and ears of the brave men and women who protect and serve our community.

We are able to do all we can do at the lowest rate available due to our triple-A bond rating from both S&P and Moody's. We are one of just six (6) Municipalities in New Jersey (out of 566) to achieve this financial success...the top 1%. There are few independent and truly objective report cards in the world of local government, and I believe the credit rating reflects not only Marlboro's fiscal strength and stewardship, but what we more generally offer as a community. It echoes what we feel and know to be true as residents – that Marlboro is a premier suburban destination in the State.

Programs and recreational activities are offered year-round for all ages. Our community gathers for Marlboro Day, Holiday Lighting, National Night Out, concerts, fireworks and more. Our Recreation features robust programming for all ages and interests. Our Farmers Market, set on 56 acres of preserved land is open Sundays from June to October with a special Fall Holiday market the Sunday just prior to Thanksgiving.

Please take a moment to visit the website to register for emails so you never miss a program, emergency notice or schedule change. By providing a variety of communication options it is our goal to be able to communicate with every resident, for all types of urgent situations, even when some lines of communication are disrupted.

I am extremely proud to be the Mayor of this wonderful community. Remember, Town Hall is here to help. Please do not hesitate to call us if you have any questions or need assistance. On behalf of the Township Council and employees, we wish everyone all the best in 2026.

Very Truly Yours,

Jonathan L. Hornik

MAYOR JONATHAN L. HORNIK
