Solutions to Stormwater Pollution

Easy Things To Do Every Day To Protect Our Waters

Pollution on streets, parking lots and lawns is washed by rain into storm drains, then directly to our drinking water supplies and the ocean and lakes our children play in. Fertilizer, oil, pesticides, detergents, pet waste, grass clippings: You name it and it ends up in our water.

Stormwater pollution is one of New Jersey’s greatest threats to clean and plentiful water, and that’s why we’re all doing something about it. By sharing the responsibility and making small, easy changes in our daily lives, we can keep common pollutants out of stormwater. It all adds up to cleaner water, and it saves the high cost of cleaning up polluted water. As a resident, business or other member of the NJ community, it is important to know these easy things you can do every day to protect our water.

Limit use of fertilizers and pesticides

- Do a soil test to see if you need fertilizer. Testing kits are available at nurseries.
- Do not apply fertilizers if heavy rain is predicted.
- Look into alternatives for pesticides.
- With some exceptions, the application of phosphorous on lawns is now prohibited.
- Maintain a small lawn and keep the rest of your property in a natural state with trees and other native vegetation that requires little or no fertilizer.
- If you use fertilizers and pesticides, follow the instructions on the label on how to correctly apply it. Make sure you properly store or discard any unused portions.

Dispose of yard waste properly

- Keep leaves and grass out of storm drains.
- Follow Parsippany’s yard waste collection rules.
- Clip It and Leave It. Use a mulching lawn mower that recycles grass clippings into the lawn.

Properly Use and Dispose of Hazardous Products

- Hazardous products include some household or commercial cleaning products, lawn and garden care products, motor oil, antifreeze and paints.
- Do not pour any hazardous products down a storm drain because storm drains are usually connected directly to local water bodies and the water is not treated.
- If you have hazardous products in your home or workplace, make sure you store and dispose of them properly. Read labels for guidance.
- Use natural or less toxic alternatives when possible.
- Recycle used motor oil.
- Contact the Recycling Office for the locations of hazardous-waste disposal facilities.

Keep Pollution Out of Storm Drains

- The Township has marked certain storm drain inlets reminding people that storm drains are connected to local water bodies.
- Do not let sewage, gray water or other wastes flow into a stormwater system.

Clean Up After Your Pet

- The Township has adopted and enforces local pet waste rules.
- Pet owners and keepers must pick up and properly dispose of pet waste dropped on public or other people’s property.
- Use newspapers, bags and pooper-scoopers to pick up wastes.
- Dispose of the wrapped pet waste in the trash or unwrapped in a toilet.
- Never discard pet waste in a storm drain.

Don’t Feed Wildlife

- Do not feed wildlife such as deer, ducks and geese.
- The Township has adopted an ordinance prohibiting wildlife feeding in these areas.

Don’t Litter

- Place litter in trash receptacles.
- Recycle. Recycle. Recycle.
- Participate in community cleanups.

IF YOU CAN PLAN A WEDDING YOU CAN PLAN FOR A NATURAL DISASTER VISIT: READY.GOV/PLAN

Ready

PARSIPPANY THE BEST TIME TO PLAN FOR DISASTERS IS NOW

IT’S NOT A MATTER OF IF, IT’S A MATTER OF WHEN

Disasters are a matter of when, not if. Make sure you're prepared by knowing what disasters and hazards could effect you, how to get emergency alerts, and where you would go if you and your family need to evacuate. Make sure your family has a plan and practices it often. In Parsippany, your family could experience winter storms hurricanes, tornados, flooding, hazardous material leaks, power outages or terrorist threats.

To sign up for alerts, Parsippany uses the Morris County Emergency Alert System AlertMorris - Sign up at Smart911.com

MAKE A FAMILY PREPAREDNESS PLAN

Before anything happens, hold a family meeting to develop a family disaster plan. Families may not be together if a disaster strikes, so it is important to establish a family meeting place that is familiar and discuss your needs, responsibilities, how people will communicate, care of children, business, pets or specific needs like medical issues. Know how to shelter in place for a time or evacuate.

Planning information is available at: ready.gov/plan

MAKE A DISASTER SUPPLY KIT

Being prepared means you may need to survive on your own for several days. At minimum, keep at least 3-5 days of food, water and supplies for each person and your pets. In addition, keep a disaster kit with a collection of basic items your household may need in the event of an emergency. Since you do not know where you will be when an emergency occurs, prepare supplies for home, work and cars.

Parsippany’s Community Emergency Response Team (CERT) offers training classes in preparedness at: parsippanynjcert.samariteam.com

Information on Parsippany's Bag Ordinance

Parsippany will enforce a town-wide ban on single-use plastic carry-out bags.

What bags are banned?

The Parsippany ban will apply to all single-use plastic carry-out bags, including “biodegradable” and “compostable” plastic bags. The ban also applies to non-recyclable paper bags.

What bags are allowed?

The ban will not apply to the following bags:

- Heavier-weight bags that can be reused and cleaned multiple times
- Paper bags that are 100% recyclable and contain at least 40% post-consumer recycled content
- Newspaper bags
- Laundry/dry cleaning bags
- Bags used to wrap frozen food, meat, vegetables, and bulk items
- Bags sold in packages intended for use as garbage, pet waste, or yard waste bags
- Bags provided by pharmacists to carry prescription drugs

Why are plastic bags a problem?

We typically use plastic bags for less than 15 minutes before they are discarded. The average American household uses 1,500 bags every year.

Plastics in our oceans are nearly impossible to remove and leads to the death of thousands of marine animals.

Plastic bags are difficult to recycle because of their shape and type of plastic used, so they end up in our landfills, waterways, and neighborhoods.

In landfills, depending on conditions, plastics can take 100,000+ years to break down.

Pride in Parsippany

Garbage and recyclables must be placed at curbside no earlier than 6:00PM the evening before your scheduled collection day or no later than 6:00AM on collection day.
*Cans no larger than 35 gals/60 lbs. will be accepted.

RECYCLING AND GARBAGE COLLECTION INFORMATION

The Township is divided into 6 districts for the purpose of recycling and garbage collection. This numbering has been incorporated throughout the calendar. To help you further identify your district's number, every street in the Township, along with its District's number, is listed alphabetically in this calendar. Once you have identified your number, refer to that district number in the calendar for your recycling and garbage collection days. For example, residents located in District 1 have garbage pickup on Mondays and Thursdays, and recycling pickup on Mondays.

Yard Waste will be pick up every week on your recycling day from April 7, 2025 through Dec. 5, 2025.

CHRISTMAS TREE RECYCLING

Christmas trees will be collected on your regular recycling day during January. Place tree and holiday greens at the curb using the following guidelines:

1. Remove all garland, lights, decorations and tree stand.
2. Remove all wire used to secure tree, wreaths, and greens.
3. If a tree disposal bag is used, once at curb remove it and put it in the garbage, prior to putting tree at curbside.

Also, Christmas tree may be brought to lower parking lot at the Knoll East.

PLEASE NOTE: During icy and snowy conditions, trucks temporarily stop picking up Christmas trees.

BULKY WASTE

This includes furniture, tables, chairs, etc These items will be picked up on your second garbage collection day of the week. Note: Carpet must be cut, rolled and tied in manageable pieces approx. 3' lengths.

WHITE GOODS

This includes all metal items, such as refrigerators (doors must be removed), stoves, washing machines, dryers, water heaters, dishwashers, grills (no tanks), car parts, metal sheds, and metal swing sets (Sheds and metal swing sets must be disassembled and the concrete must be removed from the swing sets). These items will be picked up by appointment only. To make an appointment, please contact the Recycling/Sanitation Office at 973-263-7273.

CARDBOARD

Cardboard must be flattened and tied in bundles no larger than 3' x 3' or stacked in another box. Bundles must be free of chipboard such as pizza, cereal and gift boxes as well as Styrofoam.

Mayor's Message

Welcome to the 2025 Town Planner, your hands-on guide to your recycling questions and important dates regarding trash pickup. It is also an indispensable aid when holidays arise and you are not sure which day to put out your garbage. This Planner has become an invaluable resource to our residents and its distribution is eagerly awaited every year. The calendar is also available on the Township's website so you can access it any time and from any place.

While this Planner provides you with many helpful dates throughout the year it will not have the dates for all our upcoming festivals, concerts and events. Please make sure to frequently check our website or Facebook page for future happenings within the town. Our events are one of the things that make Parsippany so special. These are opportunities to come together as a community and have fun. One of the things I love best about Parsippany is the extraordinary way that ordinary people pull together to help each other in hard times and also celebrate the good times as well. We are unique in that there are so many individual subsections to our town but like a puzzle it all fits together to create one exceptional place to live.
