THINGS TO REMEMBER

Municipal Clerk

The Clerk is the official secretary to the Township Council. Responsibilities include recording of all ordinances within the Township, providing for voter registration and absentee ballot forms, garage sale permits, coin-operated machine licenses, bingo and raffle permits, limo & taxi licensing, liquor licensing, landlord disclosure forms and general information. 973-835-5700, ext. 121

Licenses

All dogs and cats must be licensed each January. If you need to renew your pet's license, remember to bring proof that the animal is vaccinated against rabies through October 31, for the year of licensing. Also, bring the required fee: Dogs & Cats - \$22.00 if spayed or neutered, \$25.00 for all others. If you forget to license your pet before February 1, you will have to pay an additional fee of \$5.00.

Alarms

Anyone having either a home or business alarm must register with the Pequannock Township Police Department.

Special Winter Rules to Aid Snow Removal

Sidewalks: If you have a sidewalk in front of your home, you must clear it of fallen snow within twelve hours after daylight, after the snow has fallen.

Voter Registration

Anyone who wishes to vote must first be registered in the town where they live. If you are new to Pequannock Township; are just turning of voter age (18 yrs.); or would like to change your voting status, you may do so by contacting the Township Clerk.

Water/Sewer/Roads

Should you experience problems with water or sewer service or should there be any need to contact the Township for any roadway problems, call 835-9001 during normal business hours. For emergencies after 4:30 pm or weekends and holidays, call the Police Department at 835-1700. Routine service calls or billing questions should be directed to the Utility billing office between 8:30 am - 4:30 pm at 835-5700.

Taxes

Taxes are due quarterly on the First of February, May, August and November. As provided by statute, interest is not applied until the tenth day of the month in which payment is due. For the convenience of homeowners who pay their taxes directly to the Township, the Tax Collection Office, located in the Municipal Building, is open on the first Saturday of each month that taxes are due from 10:00 am - 12:00 pm. Questions about billing and payment should be made to the Tax Collector. Inquiries about your assessment should be directed to the Tax Assessor's Office. Both may be reached at 835-5700.

Solid Waste

Solid Waste billing can be suspended for residents who will be away from their home for an extended period of time. Solid Waste service must be suspended for a minimum of three months, and your water service must be turned off during the suspension period. Contact the Tax/Utility Department for details and an application for service suspension.

Building Permits

Building permits are needed for any alteration or addition to a residential structure including: siding, roofing, window and door replacement, if as part of this replacement there is an expansion of the opening: construction of decks, sheds, fences, attached or detached garages, boiler or furnace conversions or replacements, removal of oil tanks, installation of hot water heaters and new plumbing fixtures, wood burning stoves, fireplace inserts, hard wired smoke detectors, electrical work other than minor repairs, and construction of either in or above-ground swimming pools.

Street Corners-Sight Triangles

Owners of corner lots are responsible for maintaining the vegetation within twenty-five feet of the street corner in both directions at a height that does not exceed two and one half feet. This "sight triangle" provides critical visibility at intersections for the motoring public.

Fences

The Township's Zoning Code regulates the height of fences which are permitted in front, rear, and side yards. A front yard fence must be set back five feet from the property line and have a maximum height of three feet. Rear and side yard fences may be six feet high and installed in a manner that allows maintenance from the property on which it is installed. Additionally, our Code does not regulate which side faces in or out. More information concerning fence installation is available when you apply for the required building permit.
