A MESSAGE FROM THE MAYOR

On behalf of the Borough Council, and myself, thank you for being a part of one of the premier coastal communities in all of New Jersey! Our scenic beauty and small town charm have remained prevalent since our beginning and it is our mission to make sure it stays that way.

Nowhere else will you experience this much scenic beauty with our parks and waterways while still being close to both New York City and Philadelphia. The Borough of Point Pleasant was founded in 1920, when we separated from neighboring Brick Township.

From our humble beginnings as a logging town and later as a resort only community, today we are a thriving, year-round borough of almost 20,000 residents, who enjoy a top-notch school district, endless recreational activities, excellent municipal services and a thriving local economy. Because of our commitment to keeping the limited open space we have, the small town charm that we cherish so dearly will never diminish. We are able to grow with the times while still being known as one of the best places to live, work and raise a family in all of New Jersey.

I implore you to explore our website at www.ptboro.com and “Like” our Borough of Point Pleasant Facebook Page so you can learn of the many facets of the Borough of Point Pleasant. If you have any questions, I encourage you to call Borough Hall and talk to any one of our many dedicated employees who will be able to assist you. Customer Service is a top priority and we pride ourselves on being there for you!

Again, thank you for being a part of the Borough of Point Pleasant!

Yours for a Better Point Pleasant,
Robert A. Sabosik, Mayor
