25	26	27	28	29	30	31

IMPORTANT EDUCATIONAL RECYCLING INFORMATION FOR 2025

Unacceptable Materials – Extremely Important:

Due to restrictions and changing recycling market requirements, the following items are not acceptable, some of which were previously acceptable:

- Plastic bags/plastic film
- Shredded Paper (new)
- Pizza Boxes (new)
- Aerosol Cans (new)
- Pressurized Cans (new)
- Paint Cans (new)

Please see full list of unacceptable items on our website.

Plastic bags/plastic film (curbside collection):

Recyclables in plastic bags and those setouts with plastic bags/plastic film mixed with recyclables are NOT acceptable. Please ask residents to use reusable containers and stop using plastic bags. Plastic bags and film get tangled in the sorting equipment at the materials recovery facility (MRF) and create problems and delays.

- Plastic bags and plastic film are not acceptable in the MCMUA’s recycling program.
- Please advertise this information on your municipal website and in municipal publications.

Plastic bags/plastic film (recycling depots):

At recycling depots, residents need to know that the contents of all plastic bags must be emptied into the roll-off containers and the plastic bags must go in the garbage or taken to a location that accepts them for recycling, like a supermarket. Be sure to provide a garbage can for plastic bags or collect them and deliver them to a supermarkets which accept clean plastic bags/film. It is suggested that a sign be posted near the roll-off containers stating "No Plastic Bags." We can provide labels that say No Plastic Bags. Representatives from Republic Services (ReCommunity) have emphasized that plastic bags continue to be a significant problem.

Shredded paper is no longer acceptable in our curbside recycling program and at recycling depots. Please take advantage of shredding programs held periodically in many municipalities. For other options, please find a list of shredding vendors on the MCMUA’s website: <https://mcmua.com/materialdetail.asp?MaterialID=96>.

Foam, please put all foam/Styrofoam into the trash (it’s coded #6 and is not acceptable for recycling). Insulation and other protective packaging used with cardboard boxes (often found in meal kits) is not acceptable; no matter what the labeling reads. For additional information check our website: randolphnj.org

Paper

Recycle office paper, junk mail, envelopes, construction paper, notebook paper, flyers, file folders, newspapers and inserts, magazines, catalogs, cookie boxes, paper towel cores, toilet tissue rolls, frozen food boxes, cartons and boxes used for milk, juice, soup, broth, etc., 6-pack and 12-pack cartons from soda, clean paper ice cream containers. No need to remove stamps, address labels, staples, cellophane address windows. Corrugated cardboard must be flattened.

Plastic

Recycle plastic bottles and small rigid plastic non-bottles coded
Put plastic caps and lids into the trash. Containers must be empty.

Metal

Recycle aluminum and steel (tin) cans, loose metal jar lids, steel bottle caps, clean aluminum foil, pie plates and trays. Containers must be empty.

Glass

Recycle glass bottles and jars with caps and lids removed. Recycle loose metal caps and lids. Bottles and jars must be empty.

No pizza boxes and no shredded paper.

No plastic bags/ plastic film

No aerosol, paint or pressurized cans

Do not recycle plastics coded

Recycling containers must not exceed 50 lbs.; 32 gallon containers are recommended.

Do NOT tie the cardboard or newspapers. Put in the reusable containers loose, or stack folded boxes into one box.

Label your recycling containers with free decals from the town.

Put all foam and styrofoam into the trash. It is not acceptable for recycling

Large Item Clean Up Weeks

May 5 - May 9, 2025

Oct. 6 - Oct. 10, 2025

Items must be placed curbside by 6:00 am Monday
