Beautiful winter-scape at Shongum Lake and Dam

250 YEARS USA

1776 - 2026

On July 4, 2026, our nation will commemorate and celebrate the 250th anniversary of the signing of the Declaration of Independence. The journey toward this historic milestone is an opportunity to pause and reflect on our nation's past, honor the contributions of all Americans, and look ahead toward the future we want to create for the next generation and beyond.

Spring brings much of nature's "new life" and these adorable Red Fox kits with curious eyes are among those newcomers . . .

The American Revolution (1775-1783)

The war that gave
birth to the United States.
It began with
Lexington and Concord
and culminated in
American independence.

The graphic is framed by a decorative border of stars and stripes. At the top, the title "The Bill of Rights Ratified (1791)" is written in a large, bold, red serif font. Below the title, a paragraph of text in a black serif font reads: "The first 10 amendments to the Constitution enshrined fundamental freedoms like speech, religion, and due process - cornerstones of American identity." At the bottom, there is a logo for the "UNITED STATES OF AMERICA 250th ANNIVERSARY". The logo features the words "UNITED STATES OF AMERICA" in a small, blue, sans-serif font above a large, stylized "250" in blue. The "2" and "5" are connected, and the "0" has a red and white striped design. Below the "250" is the word "ANNIVERSARY" in a bold, blue, sans-serif font.

IMPORTANT EDUCATIONAL RECYCLING INFORMATION FOR 2026

Unacceptable Materials – Extremely Important:

Due to restrictions and changing recycling market requirements, the following items are not acceptable, some of which were previously acceptable:

Plastic bags/plastic film Shredded Paper (**new**) Pizza Boxes (**new**)
Aerosol Cans (**new**) Pressurized Cans (**new**) Oil Based Paint Cans (**new**)

Please see full list of unacceptable items on our website.

Plastic bags/plastic film (curbside collection):

Recyclables in plastic bags and those setouts with plastic bags/plastic film mixed with recyclables are NOT acceptable. Please ask residents to use reusable containers and stop using plastic bags. Plastic bags and film get tangled in the sorting equipment at the materials recovery facility (MRF) and create problems and delays.

- Plastic bags and plastic film are not acceptable in the MCMUA's recycling program.
- Please **advertise this information** on your municipal website and in municipal publications.

Plastic bags/plastic film (recycling depots):

At recycling depots, residents need to know that the contents of all plastic bags must be emptied into the roll-off containers and the plastic bags must go in the garbage or taken to a location that accepts them for recycling, like a supermarket. Be sure to provide a garbage can for plastic bags or collect them and deliver them to a supermarkets which accept clean plastic bags/film. It is suggested that a sign be posted near the roll-off containers stating "No Plastic Bags." We can provide labels that say No Plastic Bags. Representatives from Republic Services (ReCommunity) have emphasized that plastic bags continue to be a significant problem.

Shredded paper is no longer acceptable in our curbside recycling program and at recycling depots. Please take advantage of shredding programs held periodically in many municipalities. For other options, please find a list of shredding vendors on the MCMUA's website: <https://mcmua.com/materialdetail.asp?MaterialID=96>.

Foam, please put all foam/Styrofoam into the trash (it's coded #6 and is not acceptable for recycling). Insulation and other protective packaging used with cardboard boxes (often found in meal kits) is not acceptable; no matter what the labeling reads. For additional information check our website: randolphnj.org

Paper Recycle office paper, junk mail, envelopes, construction paper, notebook paper, flyers, file folders, newspapers and inserts, magazines, catalogs, cookie boxes, paper towel cores, toilet tissue rolls, frozen food boxes, cartons and boxes used for milk, juice, soup, broth, etc., 6-pack and 12-pack cartons from soda, clean paper ice cream containers. No need to remove stamps, address labels, staples, cellophane address windows. Corrugated cardboard must be flattened.

Plastic Recycle plastic bottles and small rigid plastic non-bottles coded
Put plastic caps and lids into the trash. Containers must be empty.

No plastic bags/
plastic film

Metal Recycle aluminum and steel (tin) cans, loose metal jar lids, steel bottle caps, clean aluminum foil, pie plates and trays. Containers must be empty.

No aerosol,
paint or
pressurized cans

Glass Recycle glass bottles and jars with caps and lids removed. Recycle loose metal caps and lids. Bottles and jars must be empty.

Do not
recycle
plastics coded
