2025

**Dear Friends and Neighbors,**

Welcome to the 2025 Town Planner Calendar and its 39th year of publication! This FREE community resource would not be possible without the generous support of the businesses displayed here each month. Please patronize them and personally take a moment to thank the owners for sponsoring the calendar. From my family to yours, have a healthy and wonderful 2025!

YOUR COMMUNITY CALENDAR

On behalf of our students, staff, administrators, and board of education, welcome to Comet Nation!

The Amherst Schools is proud to introduce a new strategic plan that will guide our district over the next three to five years. This plan is designed to elevate the Amherst Schools into new heights, ensuring that we continue to provide an exceptional educational experience for all students.

Our strategic plan is built around the three E's of our mission statement: educate, equip, and empower. Every decision, initiative, and practice will revolve around these pillars to ensure that we are providing a holistic and impactful education.

Our new vision statement is "The Amherst Schools- A Community of Excellence." This vision reflects our commitment to fostering an environment where excellence is not just a goal but a standard that we all strive to achieve.

Complementing our vision is our new mission statement, which will serve as the cornerstone of everything we do as a school district: "The mission of the Amherst Schools is to educate, equip, and empower all students to choose their path and make a positive impact in our community and beyond." This mission is more than words; it is a promise to our students, families, and community.

We look forward to seeing the positive impact of our strategic plan as we work together to educate, equip, and empower every student in our district. Together, we will create the brightest future for our students and uphold the values of excellence that define the Amherst Schools. Thank you for your continued support and partnership!

*Mike Molnar,  
Superintendent*
