Great job as always. Sam was very competent, told us everything he was doing. Very courteous. Cleaned up after the job. Have used this company since 2012 and never had anything but good luck.

– Stephanie (Broadview Heights)

Our accessible shower turned out better than we anticipated! Russ Brady and his team worked with us step by step and the work was completed a day before planned! My husband and I would recommend Approved Plumbing for bathroom remodels to all of our friends and family!! Thank you for our trust in you!!!

– Mike and Kathy (Brecksville)

I have used Approved Plumbing twice and each time have been very happy with their work. Nick M. has been particularly helpful. Professional, thorough, hard working. He did a fine job this last time, and cleaned up nicely afterward. With my old house, I'll probably be using them again!

– Steven (Brecksville)

Justin and Russ F did a fantastic job replacing the water heater in our basement during the storm last week, with our power out. They both did a fantastic job in explaining issues and have gotten the job done in the same day. Everyone at Approved Plumbing does a great job at ensuring you understand and are comfortable with any fixes that need to be made. They waved the service fee with replacement costs, waved a future service fee on a few possible areas should the need arise, and provided additional warranties on their fixes on top of the manufacturer's.

– Brittney (Broadview Heights)

December 2024

To The Families We Love Being a Part of,

The 2025 Town Planner calendar marks our 39th year of consecutive publication. We are so fortunate to be able to serve you all these years. Not many publications, or any company for that matter, enjoys the lengthy tenure as we have.

We believe our appreciation comes from serving families to the best of our ability. We started out initially with a simple two-color wall calendar and have grown to now printing millions of calendars each year. Over the years we have added to our printed wall calendars with the same level of information and savings on our website, weekly newsletter and mobile app.

We certainly would be remiss if we did not also acknowledge two other legs of our success. Our local sponsors see Town Planner as the connection to local families in a trusted way. Never any fake news found in our publications but rather local events you can count on for entertainment and enjoyment for your family. We express our gratitude to our sponsors who have trusted Town Planner with their image and advertising effectiveness, most of our sponsors are multiple year sponsors given the rate of return they experience with their advertising dollars and Town Planner.

And finally, we need to acknowledge our staff at Town Planner who continue to excel and give their utmost effort and energy to make a successful publication for all to enjoy. Without their efforts we simply could not exist.

Please welcome two of our newest local ad consultants below. Bob and Elizabeth stand ready to serve your promotional needs in 2025 and beyond.

We love it when

to call out THEIR
birthdays on the
