

BROADVIEW HEIGHTS 2026

"OUR FAMILY FUN" EDITION

MEET YOUR 2026 PLUMBING TEAM!

CELEBRATING 86 YEARS IN BUSINESS!

Had an emergency due to a sewer backup at our facility. They were able to come to our business within an hour to address the issue. The final bill was actually \$200 less than the initial estimate as they were able to address the issue faster than they thought. Very reputable company that I will use again as a result.
– Brett (Brecksville)

Had a couple of faucets repaired and was a pleasure as always to have the work done by Approved Plumbing.....have used them for over 20 years and always great work.
– James (Cleveland)

I use Approved Plumbing for my plumbing problems. Joe was great, he was courteous, knowledgeable, and fixed my shower drain. I would recommend Approved Plumbing for your plumbing problems.
– Stefanina (Sagamore Hills)

I am pleased to say that Russ Fox and Joe were the best team that I could have had, because Russ checked out my dishwasher and bathroom shower. He decided to install a “hammer” device on the dishwasher line and replaced the H.W. tank. I had previously used a large well known plumbing company, but their only solution was to install a pressure regulator on my cold-water feed line. Russ checked our cold-water pressure and said that we did not need a regulator. Approved Plumbing has a new customer. Also, Jenny, the receptionist was very efficient in listening to my needs and sending out someone that I would like.
– Richard (Brecksville)

Matt and Fox were super-quick and careful replacing my hot water dispenser tank under the kitchen sink. They even came in under budget!
– Anne (Brecksville)

Jeff came out for an after-hours visit to replace my leaking hot water tank. He did a wonderful job, explained everything to me, and left everything in perfect condition. I am so grateful!
– Liz (Richfield)

Jeff did a great job of fixing the leaking pipe under the kitchen sink. It was in a difficult spot but he persevered and got it repaired. I appreciate his attention to detail and he kept me informed along the way. I also appreciate the dispatcher’s help in getting Jeff to come over the same afternoon. Thanks to all.
– Larry (Broadview Hts)

Nick and Vince replaced our hot water tank that started to have problems. My tank was on the third-floor mind you. They asked if they could arrive a few minutes earlier - of course yes! They covered their shoes with booties, covered my carpet, and treated our home with extra care. They talked us through what they were doing and took the time to ensure we were on board with everything. The company sought out a replacement tank with the same features and swapped it out. The dispatcher, company and the two service techs were great! I highly recommend Approved Plumbing Co.!

We love being part of the family

The most heartwarming and unifying notes we see on our calendars are the reminders that Nana will be spending a few days with us this week.

Hello Friends of Town Planner,

You have just received our 2026 Town Planner which marks our 40th year of publication.

This 2026 Edition is also a tribute to the 250 Year anniversary of our great country on July 4, 2026. We have included historical events throughout the calendar that helped shape what we are today.

Forty years of publication would not have been possible without the combined efforts of our team members and of course your patronage of our sponsors. Please let them know how much you enjoy saving money with their coupon offers and keeping your family informed and updated with all the local content. Updates are always being added to our digital calendar which you can subscribe to by going to townplanner.com.

This year’s edition is our Family Fun edition too. We have provided a suggested Family Fun venue each month for you to enjoy with your family. Just scan the QR codes for details on what each venue has to offer. Make our suggested entertainment your monthly schedule to keep your family looking forward to a fun activity each month!

In closing, we hope you find renewed peace, success and happiness in all you do in 2026. Remember life is what YOU make it!

On **July 4, 2026**, our nation will commemorate and celebrate the **250th anniversary of the signing of the Declaration of Independence**. The journey toward this historic milestone is an opportunity to pause and reflect on our nation's past, honor the contributions of all Americans, and look ahead toward the future we want to create for the next generation and beyond.

The most significant Events in US History over the Past 250 Years

JULY 4, 1776 – Signing of the Declaration of Independence

By issuing the Declaration of Independence, adopted by the Continental Congress on July 4, 1776, the 13 American colonies severed their political connections to Great Britain. The Declaration summarized the colonists' motivations for seeking independence. By declaring themselves an independent nation, the American colonists were able to confirm an official alliance with the Government of France and obtain French assistance in the war against Great Britain.

DECEMBER 20, 1803 – Louisiana Purchase

The Louisiana Purchase was the purchase of imperial rights to the western half of the Mississippi River basin from France by the United States in 1803. The deal granted the United States the sole authority to obtain the land from its indigenous inhabitants, either by contract or by conquest.

APRIL 9, 1865 – End of the Civil War

Trapped by the Federals near Appomattox Court House, Confederate general Robert E. Lee surrendered his army to Union general Ulysses S. Grant, precipitating the capitulation of other Confederate forces and leading to the end of the bloodiest conflict in American history.

NOVEMBER 11, 1918 – End of World War I

After more than four years of horrific fighting and the loss of millions of lives, the guns on the Western Front fell silent. Although fighting continued elsewhere, the armistice between Germany and the Allies was the first step to ending World War I.

DECEMBER 7, 1941 – Bombing of Pearl Harbor

On December 7, 1941, the Imperial Japanese Navy launched a surprise military attack on the U.S. naval base at Pearl Harbor in Hawaii, effectively bringing the United States into World War II by shocking the nation with the sudden assault on American soil; this event is widely known as the "Bombing of Pearl Harbor."

SEPTEMBER 2, 1945 – End of World War II

On May 8, 1945, Germany surrendered. After the atomic bomb was dropped on Hiroshima and Nagasaki, Japan surrendered on September 2, 1945, and the Second World War came to an end.

NOVEMBER 22, 1963 – Assassination of JFK

President John F. Kennedy was assassinated while riding in a motorcade through Dallas, Texas, when he was shot by Lee Harvey Oswald, who was positioned in the Texas School Book Depository building; Kennedy was pronounced dead at Parkland Memorial Hospital shortly after the shooting.

JULY 20, 1969 – First Man on the Moon

Neil Armstrong became the first person to walk on the moon as part of the Apollo 11 mission. Armstrong was the commander of the Apollo 11 mission, and Edwin "Buzz" Aldrin was the lunar module pilot.

APRIL 30, 1975 – End of the Vietnam War

The end of the Vietnam War, as North Vietnamese forces captured the South Vietnamese capital of Saigon (now Ho Chi Minh City), signifying the fall of the South Vietnamese government and the official conclusion of US involvement in the conflict.

SEPTEMBER 11, 2001 – Terrorist Attack on US

Four coordinated Islamist terrorist suicide attacks carried out by al-Qaeda against the United States in 2001. Nineteen terrorists hijacked four commercial airliners, crashing the first two into the Twin Towers of the World Trade Center in New York City and the third into the Pentagon (headquarters of the United States Department of Defense) in Arlington County, Virginia. The fourth plane crashed in a rural Pennsylvania field during a passenger revolt. The September 11 attacks killed 2,977 people, making it the deadliest terrorist attack in history.

JUNE 26, 2015 – Supreme Court Ratifies Gay Marriage

Supreme Court of the United States ruled in the case of Obergefell v. Hodges that a fundamental right to marry is guaranteed to same-sex couples by the Fourteenth Amendment, and that states must allow same-sex marriage.
