We love being part of the family

The most heartwarming and unifying notes we see on our calendars are the reminders that Nana will be spending a few days with us this week.

Hello Friends of Town Planner,

You have just received our 2026 Town Planner which marks our 40th year of publication.

This 2026 Edition is also a tribute to the 250 Year anniversary of our great country on July 4, 2026. We have included historical events throughout the calendar that helped shape what we are today.

Forty years of publication would not have been possible without the combined efforts of our team members and of course your patronage of our sponsors. Please let them know how much you enjoy saving money with their coupon offers and keeping your family informed and updated with all the local content. Updates are always being added to our digital calendar which you can subscribe to by going to townplanner.com.

This year's edition is our Family Fun edition too. We have provided a suggested Family Fun venue each month for you to enjoy with your family. Just scan the QR codes for details on what each venue has to offer. Make our suggested entertainment your monthly schedule to keep your family looking forward to a fun activity each month!

In closing, we hope you find renewed peace, success and happiness in all you do in 2026. Remember life is what YOU make it!
