A word from the Publisher

Here we are! Time for another year and a “fresh” start.

Although there were many positives that came from 2024, we had a couple of rough, personal bumps along the way.

Our faithful companion, Jiggy (seen pictured below for thirteen and a half years) left us on May 22nd. Amazing how our pets fill our homes with so much love, but then it seems to end too soon.

We also celebrated the incredible life of my mom, who passed on at age 91 on October 19th. I can picture her and dad together again, side by side.

So, try to remember when that car cuts you off on the road, or your friend didn't “vote” the way you did...life truly is too short to be bothered by such trivial things. Maybe we can all take a step back to remember...we are all just humans trying to do the best we can and get to the finish line...able to look back with few regrets and lots of great memories. Maybe ease up on all the social media and strengthen your personal connections.

Enjoy your 2025 Town Planner Community Calendar. It would not have been possible without the generous support from the sponsors in the calendar. I hope you have a chance to thank them!

Remember...Work hard! Play hard! And have a safe, healthy, and prosperous year.
