City's Website  
[mayfieldheightsohio.gov](http://mayfieldheightsohio.gov)

Welcome to the 2025 special edition of the Town Planner for Mayfield Heights! This year's calendar has been specially curated with personalized images and informative pages crafted with our residents in mind. Please take a moment to familiarize yourself with the "Who to Call" page, which offers valuable guidance on which city department or external agency to contact for common concerns and frequently asked questions typically addressed at City Hall. Additionally, you will find a dedicated section on trash and recycling information to assist you in navigating these essential services in our community. Each month of this calendar highlights a special event, and I encourage you to review the full calendar for all relevant dates related to city meetings and events to stay informed and engaged.

As we embark on another promising year, I am proud to reflect on our accomplishments and to share our ambitious goals for 2025. Our city continues to thrive as we prioritize community engagement, sustainable growth, and enhancing the quality of life for all our residents. Over the past year, we made significant strides in expanding community programs, advancing public safety, and fostering economic development. None of these achievements would have been possible without the dedicated support of the administration, City Council, and our hardworking employees across all departments.

Our Aquatic and Community Center has had an outstanding first full year of operations, with over 24,000 visitors enjoying open swimming this past summer. Residents have embraced the Community Center's event spaces for rent, with anticipation of an increase in bookings for 2025. Participation in activities such as new sports, events, luncheons, and fitness programs has increased significantly, with even more offerings this year.

Community engagement continues to be a top priority, which is evident in programs such as the Police Department's Citizens Academy and the inaugural Fire Department's Citizens Fire Academy. Both academies reached total capacity last year. Look for the 2025 citizens academies' registration information on the city's spring website.

Our business community continues to grow, thanks to the collaborative efforts of the Economic Director and Building Department. In 2024 alone, we welcomed fourteen new businesses to Mayfield Heights, strengthening our local economy and enhancing our city's vibrancy.

The Community Partnership on Aging is an essential resource for our senior residents. They provide a variety of services, including meal assistance, transportation, and important social support. The dedicated on-site social workers work closely with residents to address their needs.

Looking ahead, we have many initiatives on the horizon. Ensuring the safety of our residents and businesses will always be our top priority. Our exceptional police and fire departments continuously train and implement new measures to enhance community safety and well-being. We are also focusing on supporting small businesses and improving the city's wayfinding, with new signage planned for the city's gateways and key locations throughout Mayfield Heights.

My hope for 2025 is that you stay involved—whether through attending meetings, volunteering, or sharing your ideas on how we can continue to improve our city. We can build a stronger, more connected, and prosperous future for all.

I look forward to the exciting year ahead!

The image is a vertical advertisement for Gorjanc Home Services. At the top, the company logo features a stylized gear with a lightning bolt and a water drop, followed by the text "GORJANC" in large, bold, blue capital letters, and "HOME SERVICES" in smaller, blue capital letters below it. The background of the advertisement is split horizontally: the top half is white, and the bottom half is a solid green color. On the green background, the words "HEATING", "COOLING", "PLUMBING", and "ELECTRICAL" are stacked vertically in large, bold, white capital letters. Below this, the phone number "216-352-6639" and the website "Gorjanc.com" are written in a bold, black, sans-serif font. At the bottom of the green section, the phrase "Keeping homes safe, comfortable, and healthy." is written in a smaller, black, sans-serif font. In the bottom right corner of the green section, there is a square QR code.

## FREQUENTLY ASKED QUESTIONS ABOUT TRASH & RECYCLING

For more information

### WHICH HOLIDAYS WILL DELAY MY GARBAGE PICKUP?

The following holidays will delay garbage and recycling pick up one day: New Year's Day, Memorial Day, 4th of July, Labor Day, Thanksgiving Day, and Christmas Day. Please note: Sometimes, weather may also affect or cause a delay in pickup.

### WHAT SHOULD I DO IF I HAVE EXCESS GARBAGE?

The weekly refuse service includes the contents of your dark green 96-gallon refuse cart, excess bagged or bundled refuse, yard waste, and bulky items. Excess bagged refuse and yard waste should be placed in 30-gallon bags and have enough strength to maintain their integrity when lifted from the top. Cardboard boxes, 55-gallon drums, or barrels cannot be used as waste receptacles. Personal containers, 30 gallons or less, may be set out for manual collection. Neither Kimble nor the City is responsible for any damages caused to personal containers larger than 30 gallons and requires Kimble drivers to use the automated collection arm to empty the container.

### HOW CAN I DISPOSE OF LARGE OR BULKY ITEMS?

You can put large or bulky items on your tree lawn the night before your designated garbage day. Please note: You must wrap mattresses and furniture in plastic so Kimble can pick them up. Remove refrigerator doors. Other bulky items like exercise equipment, carpeting, or wood must be broken down, less than 4 feet and less than 50 pounds. Contractors performing remodeling and repair work are responsible for removing debris and the C&D materials.

### WHY WEREN'T MY LEAVES PICKED UP?

In the fall, the leaf crews work diligently to complete each street one at a time. The trucks will go around each street once before going back again. To ensure more efficient service, please refrain from parking a vehicle in front of your pile. Rake leaves neatly onto the tree lawn and NOT in the street. Rake tall grass into a brush pile, as it will clog the machine. As a reminder, there is NO leaf collection program in the Spring. Kimble will gladly accept leaves bagged and left out on your regular trash collection day.

### WHAT ITEMS ARE EXCLUDED FROM TRASH PICK UP?

The following items will not be collected: broken concrete, dirt, automotive parts, large amounts of building materials or refuse caused by repairs, alterations, or new construction of buildings or sidewalks, and refuse not placed in proper containers, bags, or bundles.

### WHAT CAN I DO WITH MY BRANCH CHIPPINGS?

Tree limbs, branches, and brush may be placed at the curb for the chipper truck on your regular trash collection day. The chipper truck follows that schedule. There is no need to cut, bundle, or tie these items; simply place them on your tree lawn for pick up.

### LIST OF THE RECYCLABLE MATERIALS THAT ARE ACCEPTED BY KIMBLE RECYCLING & DISPOSAL

Plastics #1 through #7 are accepted. Examples include the following:

- #1: Soft drink bottles, water bottles, peanut butter jars, window cleaner bottles, mouth wash bottles.
- #2: Laundry detergent bottles, windshield washer fluid bottles, coffee containers, milk jugs, butter tubs, medicine bottles.
- #3: Shampoo bottles, cooking oil bottles, hand soap bottles.

**Fiber:** newspaper, magazine, corrugated cardboard telephone books, mail, printer/copier paper, chipped board (cereal boxes).

- #4: Mustard bottles, margarine and ice cream tub tops, squeezable bottles
- #5: Cool whip containers, Gladware tubs, plastic flower pot containers, apple sauce cups, plastic cups.
- #6: Plastic cookie tray dishes, vegetable tub containers, take-away containers
- #7: Orange juice plastic bottles, kids snack containers, some ketchup bottles

**Non-Fiber:** aluminum cans, aluminum trays, aluminum foil, cat food cans, bimetal cans (soup cans, dog food cans), empty aerosol cans, clear brown or green glass bottles, plastic containers marked #1 to #7.

The image is a vertical advertisement for Gorjanc Home Services. At the top, the company logo features a stylized sun with a gear-like border. Inside the sun are three icons: a lightning bolt, a flame, and a water drop. To the right of the logo, the text "GORJANC" is written in a large, bold, blue sans-serif font, with "HOME SERVICES" in a smaller, blue sans-serif font directly below it. The middle section of the advertisement has a solid green background. On this background, the words "HEATING", "COOLING", "PLUMBING", and "ELECTRICAL" are stacked vertically in a large, bold, white sans-serif font. Below the green section, on a white background, the phone number "216-352-6639" and the website "Gorjanc.com" are displayed in a bold, black sans-serif font, separated by a dot. Underneath this, the phrase "Keeping homes safe, comfortable, and healthy." is written in a black sans-serif font, with the words "safe, comfortable, and healthy." in a lighter weight. In the bottom right corner, there is a square QR code.

A WORD FROM THE PUBLISHER

Dear Friends and Neighbors,

The New Year has arrived and with it the arrival of another edition of your Town Planner.

I continue to strive every single year to present a calendar, that not only represents your community, but the small business community within it.

As the years go by, the increased presence of internet media opportunities also grows and many ask how the calendar continues to be so popular.

It not only survives but thrives for a variety of reasons, not the least of which is trust. Over 80% of print advertising is trusted by consumers when making a purchasing decision. In your community, you KNOW and trust these small businesses that support You by supporting the calendar.

Credibility is so important for anyone you purchase from and the small businesses that make up the Town Planner are your friends and neighbors...not huge corporations with no ties to the community. These businesses continue to support your community through the calendar because it is cost effective to them and they are offer opportunities through the calendar that often times are unique.

The calendar continues to be the most effective way for you to support your local businesses and for you to support them. After all...would you rather support these small businesses or have cities that all have the same restaurants and box stores? I think the answer is clear.

I will always be grateful for the opportunity to fight for small businesses and the communities they serve.

Enjoy your 2025 Town Planner and always feel free to reach out to me at 440-846-3633.
